DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF FLORIANOPOLIS, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Child,

There are certain souls in the world that, due to their sad history kept in the depths of their consciousness, do not have the possibility of completely surrendering to God, beyond their own efforts.

God welcomes what each one of His children can give Him; it does not matter if it is a lot, a little, enough or not enough.

God, as Father, Creator and knower of the limitations of His children, welcomes that which is true, loving and sincere that each creature gives Him.

From there, through the offering of each one of His children, He, as the Creator, can place the experiences that are necessary in the lives of souls so that they may learn and find Truth.

For this reason, God will never ask His children for what they cannot give or surrender to Him. He, in His infinite Patience and immeasurable Love for His children, will wait for each one to become aware of what the Universe needs from each being, that which is most pure and most sincere that they have.

For the souls, that for different reasons are not able to ardently live the Plan of God, because living it means giving everything and a little more; for love of these souls, God cannot demand anything from them, because otherwise they would lose the impulse of serving Him and wanting to find Him.

The Father will always give these souls the impulses to uplift themselves, through responsibilities that may make them grow until they are able to achieve what the Father thought of for each one of them.

I thank you for responding to my call!

Who blesses you,

Your Mother Mary, Rose of Peace
