DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

While in the inner worlds, souls receive the impulses of the Source of Love of the Universe in a direct way, in the same way, human beings are being prepared to be able to definitely assume the Plan of Love in humanity so that the Divine Creative Purpose may be established on the surface of the Earth.

Through the union of souls during the meetings with My Beloved Son in this Holy Week, Your Heavenly Mother closely follows each one of Her children so that on all planes of consciousness, hearts feel included and thus, without delay, they dare to take the step toward Christ.

In this way, dear children, if this happens, humanity will be able, without delay, to face the reality it generated and transgressed for decades. In this awareness of the truth, the peoples will feel encouraged to experience repentance and redemption, and it will no longer be necessary for the Scriptures or the prophecies to be fulfilled.

Thus, this is the moment in which each of My children take the step toward all that God hopes to finally accomplish through His creatures.

For this reason, all the necessary and urgent help is being offered and given during this Holy Week so that, when this cycle of spiritual impulses comes to an end, souls will then be on another step of their individual and group commitment to the Plan of God.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
