Daily Message received during the journey from Amsterdam, Netherlands, to Dusseldorf, Germany, transmitted by the Glorified Christ Jesus to the visionary Friar Elías del Sagrado Corazón de Jesús

I have the authority and the permission from My Father to reestablish in the essences all experiences that they may have lost for some spiritual reason.

Therefore, through My Hands, today I give to the essences of My apostles everything that they may have once lost.

Thus, I spiritually place within those of Mine the virtues and fortitudes they have achieved during the course of this life so that, again recovering what they lost, they may feel blessed by the Love and the Light of God.

I come to meet you on this day, to restore you with My Presence of Love and Mercy, for you to feel My Peace again and take My Hand to follow the path towards the triumph of Christic Love within you and, in consequence, in the world.

Feel capable of crossing these difficult times through the trust you have in My Heart.

May My Light be a rain of blessings for you.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
