DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE TRIP FROM THE MARIAN CENTER OF AURORA TO CÓRDOBA, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

The true love of the heart is capable of undoing any knot in the consciousness.

Love is capable of making you accept the condition of life of your neighbor, and of opening the doors to charity.

Love is the direct path to compassion and to the sacred understanding of the whole human reality through the wisdom of the love of the heart.

Children, the humble love heals because it is a love without restrictions, free from attachments, and full of maternity and paternity.

The Love of God, when invoked, liberates and transmutes the conditions of a material and superfluous life.

Dear children, today I invite you to get to know the Love of God, and this will occur when you will take the first step by means of prayer as an offer of reparation. In each brother or sister of yours exists a seed of love, but few make it grow towards Heaven and others bury it so that they will neither see it, nor make it ripen.

God gave you to Your Mother of Heaven so that you would get to know the essence of the love of the Universe. Accept this summoning, live love and feel united everyday through it, because love breaks barriers and unites the inner bridges between the hearts.

Whoever lives in the Love of God rejects neither their own sorrow nor that of the others because they learn, through it, to give testimony to the whole world. The source of your love is in Jesus, and Jesus is in the heart of the meek and of the peacemakers.

To be a peacemaker is a school, it is a preparation for the times that are to come.

Seek My Love saying the following prayer:

Prayer to live in the Love of Mary

Mother,
You, Who are the beauty of the Love of God manifested.

You, Who through love and silence
reached the foot of the cross for our sake.

You, Who out of love for all, guided the apostles.

You, Who out of love live eternally in the Glory of God.

Mother,

You, Who made Yourself small and a servant amongst women.

You, Who out of love accepted the Will of God in humility.

You, Who out of love, are love, maternity and compassion,
convert my heart into the living flame
of Your Immaculate Love
so that I may see through Your eyes
the living love in my brothers and sisters.

Mother,

I consecrate myself to the eternal love of Your Heart.

Amen.

I thank you for answering to My call!

Who unites you to the Love of God,

Your Mother Mary, Rose of Peace
