WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN FÁTIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear Children,

Today, your Heavenly Mother contemplates in one of Her serving Hands an unbalanced scale and in the other Hand a chain, whose shackles are breaking.

What does this symbol mean to you, My children?

In a world where inequality and impunity rule the nations, what part of that inequality or impunity do you experience ?

In a world where the chains of spiritual and material imprisonment hold back the steps of My children's liberation, what chains are still binding your feet?

Meditate, children, and strive every day to be good people and good children, but above all, children of charity and goodness, who, at no time and under no circumstances, dare to close the door of your hearts to anyone, because you know that the world is an ocean of errors and imperfection.

But do not forget, children, the inner Light that lies and lives in each one; for that inner Light, in each one of My children, is perpetual and unquenchable.

Dear children, let your justice be your goodness and your love, first and foremost; for this is the time, and it is also the moment, for the Love of My Son to rule and reign in every life and in every moment. Do not forget this; for by keeping it in mind, you will help yourselves through the Love of Jesus and you will also help the world to turn away from all kinds of violence and evil.

As the Mother of loving Justice, as the Mother of the Justice that bestows the Love of God, I come to free you from yourselves, so that the world may be liberated.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
