**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

A lesson in Maternal Love

Dear children, today let us celebrate with immense bliss because the Lord has sent Me to you to announce My Daily Messages. Let us commemorate today the first month of the Celestial Announcements that My Immaculate Heart delivers to your little hearts. Accompany My path of Mother and Pilgrim of souls so that My Immaculate Heart may triumph in the whole world.

My beloved ones, in this way begin preparing your hearts for the encounter with Me for the end of this month. Contemplate in prayer the Infinite Love that My Heart of Peace has for each one of the souls.

Therefore, My little ones, I say to you that My Immaculate Heart counts on each one of your little hearts. My feet are alighting on the world to establish the Kingdom of Peace of Our Most Revered and Merciful Father. My Mantle is over the world to protect and shelter the hearts that in trust, open themselves to My Maternal Love. I will not be able to do anything for all those children who daily distance themselves from the path of God. I will only be able to pray and to intercede as the Mother of Mercy.

However, My dear children, your hearts may assist Me in the relief of the great sufferings of the soul and heart that many children live in the world, and this will happen through the strength of your daily prayers. When you manage to love the power of prayer, My little ones, I will be able to say that your hearts will be doing works of humility and of giving.

Know, My little ones, that My eyes are upon the world to contemplate it and to rescue it in this decisive final hour that is coming for many souls. Lift up prayers with fervor to the Heavens; there I will be able to radiate My wonders over the afflicted hearts.

My last hour of peace wants to announce itself to all hearts. Give out My call in the dwellings that still do not seek Me. Proclaim My Good News of Peace and Redemption to My children so that the conversion of the spirit may be manifested in the hearts.

To all those who need Me, there I will be. I am the Mother of Peace. I am the Mother of Mercy. I am the Bird of the Sun that illuminates the darkness in the hearts. I give new birth to your life through the inexhaustible source of the Love of My Son.

Let us pray for that which Our Lord needs. He has thirst for good souls.

I will intercede for your hearts,

Mary, Mother of the Divine Conception of the Trinity
