**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

If your hearts knew how much I love you, from them would spring an immense bliss and joy.

Today I call you, My dear ones, to live from the fruit of prayer. A prayer that may transform life as an attribute for God. A prayer that may illuminate life, as a flame for God. A prayer that may establish My Peace in life and that may radiate love to the heart.

For this reason, My little ones, each prayer must be truthful and humble so that it may bear fruits in life. If you pray with Me you shall know the inner Light of the Kingdom of the Heavens. Thus, My little ones, the world will be converted and will be consecrated to My Immaculate Heart, when more souls, in simplicity and in love for the Whole, pray for peace.

A world without peace is a world without kingdom and without love. For this reason, My children, I come to encounter all the hearts that listen to My call day after day, and to all the hearts that awaken with My voice of peace.

I want to bring to each one of your lives My rejoicing of love for the Lord, and that your little hearts may learn from the Divine Love so that this may be extended to the sick and sleeping hearts. My Maternal Love is for all. My Mantle of Protection is open for all. My Immaculate Heart is surrendered and donated for all.

You, My little ones: Do you accept My Merciful Heart?

I am in the time of announcing the Reign of My Peace to more hearts that must come to know It. In this way, many of My children will leave the chaos of the world and awaken in the Light of My Divinized Heart. I wait for you daily in prayer.

Thank you for responding to My Call.

Who conducts you through peace,

Mary, Mother of the Divine Conception of the Trinity
