ELEVENTH SPECIAL APPARITION OF THE VIRGIN MARY IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, AT 12 pm, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

At 12 pm and at the request of the Divine Mother, a small group approached the Apparitions tree to pray 150 beads of the Hail Mary.

At a specific time during the prayer, the energy of the Divine Mother approaching could be strongly felt. Friar Elías then stood up and after a long interval during which he was contemplating the crown of the tree, he transmitted what the Divine Mother had said to him.

Friar Elías del Sagrado Corazón de Jesús:

The Divine Mother appeared as the Queen of Peace. She was wearing a light blue Mantle and in Her Hands there was an orandium, the largest bead of which had an image of Padre Pío on one side and an image of the Merciful Christ on the other.

She was in the sky, to the left of the tree, and behind Her there was a great golden sun. On the instep of each foot She had a silver-colored rose and further down, on the cloud where She was standing, there were the seven roses She had shown at the first Apparition in August of 2007.

She told us we were praying with Her, and that we were accompanying Her.

When She appeared, three channels of golden energy opened, somewhat farther away from this area, through which many souls went, coming from different parts of the planet.

In this Apparition She gave us some guidance for the Center of Prayer.

She told us we had to think about the organization of this space; for example, about some structures to be able to light the candles which will be used only on the pilgrimage days, which are on the third weekend of each month and on the 12th and 13th of each month.

She also told us that a circular golden railing had to be installed, with the symbol of the Cross of the New Humanity at the four cardinal points, fencing in this tree, the orange tree of the Apparitions.

Concerning the rhythm of this House of Prayer and the bell tower, She asked that we take care of the bell tower and that She expects that bell to ring 33 times, next month, September of 2011, at these times: at 6 am, at 9 am, at 12 pm, at 3 pm, and at 6 pm.

She told us that these times are the most important concerning the prayer work; during them, deeper prayer work will be done. During the rest of the time, from hour to hour, shorter prayers will be done, 10 by 10 beads, to be able to maintain the channel.

She told us that some of Her children will carry out a vigil in the House of Prayer at 9 pm, at 12 am, and at 3 am in the morning, which will also be short prayers, simply for support. And that the beginning of the day will be 6 am, with the bell strikes.

In September, the 33 bell strikes will occur, inaugurating the awakening of this place, even though the House hasn't been finished yet. Afterwards, 14 daily bell strikes will occur at the times already mentioned. It is only on the 12th and 13th, and on the third weekend of each month that the 33 bell strikes will occur; the rest of the days, it will only be 14.

She said that the 33 symbolizes the 33 Aspects of Christ, which will manifest through beings in these times, and that the number 14 symbolizes the 14 different steps which the Consciousness of the Mother took until Her Assumption into the Heavens.

She said that later She will tell us more and that at this time, we should pray.
