WEEKLY MESSAGE TRANSMITTED BY THE VIRGIN MARY TO FRIAR ELÍAS

Dear children,

With you full of joy and happiness, without you losing hope and the joy of being within My Immaculate Heart, today I announce to you that God will send me, to be among all souls, to bless them and prepare them in the name of My Son, Jesus, for the times that will come.

On every Saturday, I will visit you as My Maternal Spirit of Peace visited Elizabeth.

Therefore, dear children, may your beings not tire of praying from the heart, of praying for the conversion of the world. As in Medjugorje, My Immaculate heart has come to you to demonstrate the Love of God and the Power of His Divine Mercy, so necessary for the life of all My children in the world.

On Saturdays, days that will also open a fount of Mercy, fasting will prepare you to commune with My Son, to commune with His Light, with His Blessed and Lovely Redeeming Spirit.

Dear children, may your souls be in the Eternal Bliss of God, because the Blessed Ever-Virgin Mary, who is Your Mother, will be walking, week by week, together with your hearts. This request of the Highest has a spiritual and universal aim, therefore, dear children, let your consciousnesses know that they will be before My Celestial Blessings, which today, in the name of the Love of God, I will dictate to you so that you may contemplate them as an aspiration of My Maternal Heart for all humanity, which is tired, debilitated and with little faith.

If you, in the name of all My children, contemplate these intentions of My Immaculate Heart, you will help in the conversion and in the redemption of humanity.

The Blessings of the Virgin Mary

First Blessing:

"To be peacemakers on Earth, as are the angels in Heaven."

Second Blessing:

"To live and preach the Kingdom of Peace from the heart."

Third Blessing:

"To let yourselves, through prayer, be invaded by the Source of the Holy Spirit ."

Fourth Blessing:

"To raise your arms towards Christ Jesus by means of the Maternal Heart of Mary."

Fifth Blessing:

"To diffuse the expression of the new flocks of Christ through groups of prayer."

Sixth Blessing:

"To love your enemy by means of prayer so that Peace may be reached by all of humanity."

Seventh Blessing:

"To allow the soul to spring up as a fount of Eternal Life."

Dear children, the task to meditate upon and contemplate these maternal principles is left for your hearts. In My arms, I bring you towards the encounter with Christ Jesus.

I thank you for responding to My call on this day!

Mary, Mother of the Divine Conception of the Trinity.
