WEEKLY MESSAGE, TRANSMITTED BY THE MOST HOLY VIRGIN MARY TO FRIAR ELÍAS

My beloved children:

Today I keep you all in My lap, in the same lap of Love and Peace where was the little Child Jesus. Today I call you to surrender yourself completely in My arms so that, bringing yourselves as an offer before the Celestial Altar of God, your hearts may start to participate in the much awaited years of peace.

Dear children of Posadas and of all the Province of Misiones of Argentina.

My Immaculate Heart comforts today each one of your souls and tells you that the reason of My coming to here from the Heavens is because your faith, devotion and trust in My plans of Peace for the entire world have opened the doors of the Heavens so that My Divine Maternity may descend on these special dates.

Dear children, for this reason My maternal request is that you ardently unify all of the hearts of Misiones so that this part of Argentina may also be contemplated by the Mercy of God the Father.

As the Immaculate Mother, Guardian of the Eucharistic Heart of My Son Jesus, I am calling you so that in prayer all of you, My children of Misiones, may go to the encounter in Salta, Argentina of the Immaculate Mother of the Divine Eucharistic Heart of Jesus. If you, with pure and true love respond to this call, praying the Rosary and communing with My Son, as a Merciful Mother I could expand My Mantle of Light and place it over all of Argentina. This invitation is especially extended to my clairvoyants and to all the beloved group consecrated to My Maternal task of Peace and Redemption.

For this, little children, My special visit to your hearts is so that you may answer to this important call for peace and, in this way, when your hearts are in Salta you can with My celestial permission unify the two maternal tasks of My Heart, as will happen by means of the Grace of God, in the month of March of 2013 with the arrival to Uruguay and Argentina of one of My clairvoyant children from Medjugorje.

I want to demonstrate to the world that I am not only the Mother of the Church of Christ, but also that now I come to the world so that all of My children, those that do not know Me and those that deny My maternal presence may reconcile with Me and, as a consequence, with God the Creator.

Dear children, I leave today for you the revelation of My three blessed phases for these times:

- First as Mary, Queen of Peace in Medjugorje.
- Second as the Immaculate Mother of the Divine Eucharistic Heart of Jesus in Salta, Argentina,

- Third, as the Mother of the Divine Conception of the Trinity in Aurora, Uruguay.

God sends me in three different ways so that all of My children, from any part of the world may recognize and love Me. For this today I reveal to you My Sacred Marian Ecumenism as Universal Mother, a teaching learned from the great Essene masters that lived outside of Jerusalem and the Galilee.

Dear children, I want that you feel in your hearts the truth of My message and I want that you keep in your essence all of My love for you, because God had asked Me to appear before My children chosen by Me, in three different moments:

- In Medjugorje, to avoid the destruction of Yugoslavia.
- In Salta, Argentina so that My children may remember to adore the Sacred and Eucharistic Heart of My Son.
- In Aurora, Uruguay to let it be known to all My children the important coming of the Holy Spirit, in the same way as arrived to all of us in the Place of Prayer.

My children, I leave to you the maternal task to contemplate these three universal moments that My Immaculate Heart reveals as a task for the beginning of this new cycle. May the New Year be received in the Living Christ and in your hearts under the Grace of the Hope and Mercy of God for all.

Dear children of Misiones, I thank you for listening to My maternal call!

Mary, Mother of the Divine Conception of the Trinity
