**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

Seek help in My Son and afterwards, with absolute confidence, come to My Immaculate Heart so that My feet may guide you on the path and My Light may radiate clarity to your hearts.

Dear children, many souls still suffer because they lack hope and strength; these beloved souls that are My children are scattered throughout the world in search of material purposes. For this reason, My dear ones, I invite you today, through the imperious exercise of prayer, to raise towards the Heavens all the souls that day by day forget God.

Dear children, find in My Heart the pathway to arrive to My Son and thus, in the name of humanity, your lives will daily be partakers in the communion with My Glorified Son.

My children, My Heart announces Itself among you so that you may recognize that My celestial gaze and My Heart are observing the lack of love that exists among souls. For this reason I come to remind you that it is important that you not only live from the fruit of prayer, but that you feel the presence of My Son in your brothers and sisters of the path, in the families and in those closest to your lives. In this way, dear children, you will begin to live the fraternity that is necessary for all the children that do not know it as the Wisdom of God.

My beloved children, the life of fraternity among hearts will be able to reverse the great spiritual miseries that many souls live. Therefore, the firmness of the transformed heart and perseverance in the life of prayer will allow you to know the degrees of love in all this Creative Universe.

In your eyes I place My Light so that your consciousnesses may see the necessities of all souls. On the path, I leave My footprints so that you may follow the pathway that My Son has marked towards the Lord.

May your hearts be able to perceive the coming of the Holy Spirit. It will be a balm of peace for those who trust in this divine mystery of God.

Thank you for responding to My call.

Reconciliation in each one of your little hearts!

Mary, Mother of the Divine Conception of the Trinity
