MESSAGE FOR THE APPARITION IN THE MARIAN CENTER OF FIGUEIRA, BRASIL, TRANSMITTED BY THE VIRGIN MARY TO FRIAR ELÍAS:

Dear children:

Day by day I pray for you so that you may reach the path to eternity.

Day by day I pray for you so that My Son may yet be the seed germinated in your hearts.

I pray every day so that humanity may receive the Holy and Divine Justice that may repair the consequences that are generated by My children of humanity.

Today I want, as the Mother of the Graces, that you guard each one of the moments that you have been with Me, because today dear children, is closing one cycle of Graces that My Heart has manifested for each one of your lives.

After almost one uninterrupted year of Apparitions of the Blessed Virgin Mary, Queen of Peace, may your hearts, dear children, guard the memory of each one of the messages that, with so much love and dedication on the part of my clairvoyants, were transmitted with fidelity during all of this last time.

For this, dear children of Figueira, you without knowing Me well but feeling My blessed Maternal Love opened the doors so that I could guide and love you.

Dear children, we shared the Kingdom of Heaven for the first time in the month of September of 2011, then was the exact moment when My Immaculate Heart merged with each one of your consciousnesses so that we could manifest the Marian Center of Figueira.

Remember, My little children, that each one of you is My true Sanctuary of Peace, because of this I will come through your prayers to seek the light and the love that is generated by your hearts, so that this light and this love may be poured over those children that in the world have so much thirst.

My children, dear children, as in Heaven everything is shared, revered and loved so here on the Earth must exist the same reflection of the Kingdom of God upon each one of your hearts.

For this reason, to celebrate the Marian task with each one of My children, I announce to you that My Immaculate Heart will be descending upon Figueira also on the day of the 13th of December to bless you and to prepare you for the new cycle that you will share with Me, from this next year, when My Heart of Peace will alleviate still more the world and above all will alleviate humanity.

Dear children may today be a reason for immense and thankful joy for My Heart because God has you in the account of salvation. Right now come to Me, come to Me with love and happiness, because I want to have you between My arms for the most time possible, so that in this we can share the lovely presence of Jesus.

That this day of synthesis and prayer may strengthen your hearts so that they may be prepared to receive the arrival of the Redeemer.

Dear children I pray for those that judge My words and for those that still cannot live My messages because, as in Medjugorje, your consciousnesses will be participants in one part of the Kingdom of the Peace of God.

Guard the memory of My arrival to your lives,, because this call that I have made during all this time will help you to find hope in the heart.

I thank you for answering to My call during all of this time!

Blessed is the Marian Center of Figueira because it is the fruit of My permanence and love for you.

Mary, Mother of the Divine Conception
