**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Begin each day under the presence of My Peace and in prayer supplicate for the conversion of the world. My Maternal Heart

wants to see souls in constant prayer. My Maternal Heart wants to see souls that remember the prayer of the heart at each moment.

My children, the path towards permanent peace is possible. For this reason I invite you today to pray for peace in the heart of those who do not have it. Pray for all My other children, for those who are distracted, for those who are distant from God and for those who do not believe in My maternal call.

Dear children, the prayer that is born from the groups of prayer will help in the formation of the new path for humanity. Therefore, My little ones, the Heavens will receive each prayer that is pronounced and given from the heart, as a true and pure rose.

It is important, My dear children, that in all this exercise of prayer the Sacred Heart of Jesus be present, because His Merciful Love must be your aspiration and your flame of peace for the world.

Dear children, opening your arms to My call, your hearts will receive the help that they need. Permit, dear children, that the Holy Spirit of wisdom and truth may conduct the life and the essence of the task in each group of prayer.

Count on Me, My children, as Mother and Guardian of the hearts here on Earth.

May the Spirit of God bless you today, under the sign of the luminous cross of Christ.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
