APPARITION OF THE VIRGIN MARY, IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Today I am here, dear children, and also am in Venezuela with all My children of that nation.

My Plans of Peace have not changed and are being spread in the heart of all My children.

As Lady of Graces, today I pour out the Grace of God over that nation, and at this moment, I invite you, dear children, to pray for the nations of the world, as in every month.

Today, in My Hands, I also bring you, dear children, the Ears of Wisdom: the Wisdom of the Father, the Wisdom of the Son and the Wisdom of the Holy Spirit. This is the symbol of the Ears of Wisdom, something you must consider important in the end of times.

Today, I materialize these three ears for your understanding and so you can see the beauty of the Creation of God.

In the ears is found the Wisdom of the Lord. It is an ancient symbol of Christianity, something you must consider in this time, for your inner instruction.

The wisdom will carry you onto good paths, and as a result, you will have good discernment when you are united with the Father in prayer.

Let us pray for the nations at this moment. This is a celestial request, it is important, it is the Will of God.

Friar Elías del Sagrado Corazón de Jesús:

After the definitive secret which Our Lady revealed to us, we're going to pray at Her request.

For this reason, we're going to pray not only for Venezuela, but for all the nations of the world. And Our Lady asked that we especially pray for the governors, that they may find the Light of Christ.

At the request of Our Lady, we're going to pray the Universal Mother in different languages. We will repeat the prayer twice in each language.

We will begin by praying in Spanish, and our sister Kueipeh of Venezuela will pray with us, at the request of Our Lady.

Prayer: "Universal Mother" (in Spanish, Portuguese, English and Italian).

On this night, dear children, I thank you for the presence of each of you in My Heart.

Under the almighty blessing of God, today I give you My motherly blessing once again.

Go in the Peace of My Son.

In the name of the Father, the Son and the Holy Spirit. Amen.

I thank you for responding to My call!

Mother María Shimani de Montserrat:

In this deep silence of reflection Our Mother left us, in this inner silence, let us place our gratitude in our heart and keep present, in our prayers, the request of Our Mother to pray for the governors.

Now, Friar Elías will give a brief account of what happened during the Apparition.

Friar Elías del Sagrado Corazón de Jesús:

While we were praying, during the task of the prayer, the process of the Apparition gradually deepened.

Before the Apparition, different situations were developing, which we'll tell you about now.

For example, at different levels, different states of what we understand as Heaven, were gradually projected toward this physical place where we were, and that movement of energy was guided by angelic consciousnesses.

As the prayer process developed, something also happened: Abraham and Isaac appeared in the sky, accompanied by other beings which we know as saints; and here, on the surface of the Earth, another scene was developing while they were present.

While this situation was developing, we asked Abraham what was happening. He told us that they, the prophets, are governed by the Queen of the Universe, and at that moment, Abraham showed us a scene of the Final Judgment and told us that it was the symbol of the separation of the chaff from the wheat. That was manifesting through a judgment, as we know it here on Earth, a judgment in which a person is condemned by a judge.

At that moment, we didn't know what was happening until that situation was clarified. Abraham was showing in that judgment that the path of many souls was being defined; he told us that they were souls of this humanity and explained that this judgment happened on an inner level of the consciousness of all beings of the Earth.

We asked him if this situation, this reality he was showing, was concurrent, if it coincided with this time of the Earth which we're experiencing. He said that yes, souls were defining themselves on one

path or on another.

We asked Abraham and Isaac why they were present today. They told us they were fulfilling a part of the prophecy written a long time ago.

Afterwards, this situation disappeared from this place; it was as if the prophets had withdrawn into the inner space of this sky.

Then the time of the Apparition came, and our Mother appeared at the highest point of the sky. She placed Her Feet on a great rose of Light.

What drew one's attention was that the rose was inverted downwards, to here. And the Light of the rose spilled over this place, while Our Lady slowly descended toward here.

Today, She manifested as the Lady of Graces, because She told us that once again, She was carrying out a task with the nations. And when She appeared, She began to slowly address Her Words.

One of the things She told us was that She wouldn't speak very much because She was fulfilling the Will of Her Father. Then She showed us the symbol of the three ears and explained the meaning of the three ears She carried in Her Hands, which She was gifting, giving and offering to us.

Today, once again, She spoke to us of the importance of us asking for wisdom, especially that we ask the Father for wisdom in our consciousness in the end of this time. She told us that when we should receive that wisdom or ask for that wisdom, we would be on correct paths.

During the then prolonged silence, She revealed a secret to us which She called "the definitive secret". Afterwards, She remained in a profound silence, contemplating us. Through this secret, She showed us various images, events that She asked us to pray for. And above all, She said: "I need you to pray today with sincerity"; and then She asked us to pray the "Universal Mother".

At the start of the Apparition, She made a special request of us, which She defined as a clarification for us, about tomorrow's Apparition. She said that tomorrow, it would be an important Apparition and promised us that She would address Her Words to us with more precision.

She told us She is going to consecrate the Portal of Peace that is on the Figueira Hill of Apparitions. And for that, She told us that the Apparition would be at 9 p.m. We asked Our Lady if there was a special reason for this time, and She said: "Of course, yes, there is a reason; 9 p.m. is a special time for the planet; it's the time of watchfulness, in which the soul can be more vigilant; and it is also the time of the reparation of the Heart of My Son". For those reasons, She will appear at that time.

Mother María Shimani de Montserrat:

Very well, tomorrow we're going to prepare our heart so as to be vigilant; and in this way, together with our Mother, we will be able to repair the Heart of Our Lord.

She asked that we do a pilgrimage with candles, from the entry of the path that leads to the top of the Hill of Apparitions.

To close, we will sing.

Song: "Divine Mother".

Thank You, Mother, for all that You give us!

Thank you all very much.
