WEEKLY MESSAGE, TRANSMITTED BY THE VIRGIN MARY TO SISTER LUCÍA

Dear children:

My Immaculate Heart arrives today in this place to bring a message of Peace and of Hope to My little children of Melo. My coming here has a spiritual reason that is to bring the Grace of God to My children in prison.

I want that this message will arrive not only to My little children of the prison but also to all those that are prisoners inside of suffering, to those that have their hearts imprisoned in bitter and old resentments that little by little are convert them into a deep obscurity.

My dears, some of My children have dug for themselves a very deep and very dark well that My Heart many times cannot come to. If your prayers could encounter this obscurity, you will allow me to remove many souls from this despair and from the lack of God.

To those who feel lost, you may elevate your eyes to the Highest and there you will encounter Me, allowing that a little ray of My Light may enter in your hearts, and then I will assume little by little to become the Queen of your lives and I will make of your hearts My Kingdom of Peace.

Dear children, My Heart finds so much affliction in the prisons, and in many of them reigns only the enemy and My Light does not find even a little space to come in. My Sacred Heart asked for this visit, My children, so that before the Throne of God I may bring the fruits of your prayers and ask the Lord for permission to enter with My Love in many other prisons of the World. Your hearts do not know how My Heart of Mother wants to rescue each lost soul that finds itself lost. If you could see My dears how much these little children are in need of Light you would answer a little more to My call for prayer and service.

I want My Maternal Light to illuminate the hearts and deposit there the Hope of encountering Me in Paradise because this is possible. So much is possible, that My Love brings My little pilgrims to here to encounter with Me the souls that have become lost from the path and those that when I find them, I will take by the hands each one and I will conduct them to the Meeting with My Son.

I give thanks to each one of My pilgrims for seeking me in all parts of the World, for accompanying me each day. And for those I make a special request to pray with fervor for My little children in the prisons so that My Light may one more time triumph.

I thank you eternally for following My steps as a pilgrim.

I love you.

Maria, Mother of the Divine Conception of the Trinity
