**APPARITION OF THE VIRGIN MARY, IN LUJAN, BUENOS AIRES, ARGENTINA, TO THE VISIONARY
FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Friar Elías del Sagrado Corazón de Jesús:

At the request of our Mother, we're going to pray the "Hail Mary" in different languages, repeating the prayer twice in each language.

Today, Our Lady brings the Presence of the Most Holy Trinity.

At this moment, She asks that we connect with that Principle of the Father, and that we think about the Most Holy Trinity.

Prayer: "Hail Mary" (in Spanish, Portuguese, English, Italian, French, German and Latin).

Dear children,

With My Arms, I hope to gather you day after day. I stretch out My Arms of Mercy and My Heart of Love to you in this time.

Today, I have need of you to go on pilgrimage, to walk from the Heart. Many souls need your prayer and your giving of selves.

I invite you to serve because we are already in the end of time.

I want you to be able to build the new paths of humanity, and if somebody begins this task, everything will be able to change. Thus, prayer is important in this time, because it will fortify you to carry out this commitment.

My call reaches out to each corner of this world; thus, your hearts must be attentive to respond to it.

On this day, My Son Jesus observes you with Love and Mercy, but many souls are still lost on the path they choose. Who will be able to help Me with them? Thus, I invite you to sincerely pray.

I need you to listen to My Words and that you hold them in your hearts, for in this way, you will prepare your dwelling place for what will come.

It is necessary that you conform to the requests of God. For this reason, My Immaculate Heart comes month after month to announce the new and the good to you, but also to announce what humanity does not want to hear.

Humanity cannot change into what it already was in the past; it must be a humanity renewed through prayer and Mercy.

Thus, today My Heart counts on so few servers. I call servers those who are available to live the prayer of the heart.

Moment by moment and day by day, your life must be a true prayer, before all the things in your life. It must be what is most important in this end time, which can fill you and guide you in this moment, for in this way, your hearts will be united with My Heart and will share in the universal task with Me.

Before My Son Jesus comes, today I come to meet with you. And I repeat this each time I am with you. Thus, your hearts must be in a state of permanent vigil so that, in the end of these times, you hear the Designs of God, you hear the Commandments of the Father and, above all, you hear the requests He has for you.

Through the daily Messages, I leave you the keys of the Lord, so your hearts may be on pilgrimage on the correct paths and you are within My Motherly Light; for when you are definitely in My Arms, you will be close to My Son Jesus and His Rays will be able to touch your hearts.

With the rosary in your hands, sustain daily prayer, for in this way, you will be able to be guided in each moment of your life and your hearts will hear the Steps of the Lord, Jesus, Who comes once again to meet with this humanity. You must believe in this, for it is already written and will be accomplished.

But the coming of My Son will not occur the way many believe. Today, He is asking something important of you to prepare for His Return: to be in vigil as the apostles were; but in this time, your hearts must be more attentive so as to be able to perceive where you are and where you are to go.

Thus, dear children, service balances all hearts.

The source of Mercy can be launched towards the Earth and all hearts be invaded by the Light of Jesus, and thus My Motherly Heart can be very close to you. Each moment you think of prayer, My Motherly Ray will be among you.

For this reason, I persist with this humanity, because as a Mother, I understand and know your needs. I know what each heart needs in this time.

So that your aspirations may be fulfilled, I invite you to pray from the heart, because it is necessary that the Holy Spirit be among you so your hearts are able to feel the Light of God, and in this way, dear children, all of you are strengthened in My Heart.

In this time, I have need of hearts that build the new, imitating the Steps that Christ left you. But in this time, dear children, hearts do not observe these teachings, because with their heart they perceive what all call the modernities.

In this way, hearts distance themselves from God, because they are surrounded by new things which they believe will wake up many things in the spirit, but that generate a significant distancing

in consciousnesses; barriers are created between souls and God.

Prayer unties all these knots. For this reason, unite with Me in prayer, because I will help you untie those great knots that are in humanity so all hearts may find the Lord once again.

Today, I want to leave a request with you, to all those present here, before My Merciful and Loving Countenance; that you prepare My last coming to this place, to this city, so that in your hearts may blossom all the promises I have left with you throughout the months, and that you may work together with My Motherly Heart for the redemption of humanity, a request My Son makes to Me daily.

I will accompany you, in this time, to concretize My Plan of Peace on this world, and especially in all of Argentina.

You are called, dear children, to accomplish a part of the Plan of God. Your hearts have committed to Me from the beginning, when you said 'yes' to the power of prayer. In this way, you began to dialogue with My Motherly Heart and live in devotion to My Heart, thus being able to contemplate the beauties that God has created for all of this humanity; I am referring, dear children, to all this beauty of nature. For this reason, I leave you this task for the next month.

This is the time for beginning to fraternize your hearts, and thus, concretize My requests.

We will begin here, in this city, gathering together hearts through the strength of the groups of prayer, and in this way, on December 8, your hearts will contemplate Me here for the last time.

When I refer to here, dear children, I am referring to from Buenos Aires to Lujan. This is the extent of My Mantle for Argentina.

You can be the light of prayer in this time, and your hearts can be My roses so I can pour them out over each province of this nation.

Mother María Shimani de Montserrat:

Let us sing "Hail, Hail Mary".

The Mother is inviting all the brothers and sisters of the groups of Salta to bring the images that came with them, as She is going to bless them because of the response you gave to Her Heart.

Song: "Hail, Hail Mary".

I Am the Mother of the Divine Eucharistic Heart of Jesus.

I Am the Mother of the Divine Conception of the Trinity, the same as yesterday and today.

Today, dear children, you are recognizing the power God has given Me through My Countenance.

May the Light of the Father, may the Light of the Son and may the Light of the Holy Spirit bless these images that represent My Immaculate Heart on Earth and the Divine Power of God, in different ways for everybody.

Dear children, may the Light of My Son bless you on this night which is coming to an end and which invites you to be in vigil in prayer.

I thank you for responding to My call, especially all My children of Lujan.

In the name of the Father, the Son and the Holy Spirit. Amen.

Song: "Your Purity".

Mother María Shimani de Montserrat:

Now, as we do in all Apparitions, Friar Elías will make some comments on what he was able to see during the process of prayer and during the Apparition, and some requests our Mother makes while She speaks with him during this time.

Friar Elías del Sagrado Corazón de Jesús:

At the moment before the Apparition, we were greatly aided by guardian angels that worked intensely outside of this area, in this field; and that the work, which they did through prayer, was gradually radiated to all of Buenos Aires.

Particularly, the work they did was to free souls that were chained. Those souls were freed and uplifted through the channel of prayer that was built.

The angels had the task of drawing those brothers and sisters at that level toward the inside of the channel so they could be freed, and that task was expanded during the singing of the Hail Mary.

The task they were carrying out was by regions, by different zones of Buenos Aires. What permitted them to carry out that task was the exercising of the prayer, until at a moment before the Apparition, they asked to be helped in that task through the singing of the "Hail Mary".

Before each Apparition, they appear like flashes of light in the sky. This refers to the Lady arriving, that Her Consciousness is beginning to expand within this coordinate of the world, in this place. A special condition opens up, in this case, here, and in this way, the different states of the universe, of the Heavens, begin to descend, by way of which She comes here.

But today, the Apparition was special; we were looking toward the picture, but Our Lady appeared on the outside, in the top part of this place. Could it be the Lady won't enter this house?, we asked. Will we speak through the glass?

She said to us: "There are no limits in Heaven, but this is what the Lord has allowed Me to do on this day."

At that moment of the Apparition, nothing in this physical place seemed to be present here; only all the celestial energy She was radiating during the Apparition. Then a profound dialogue began, some indications She was passing on to us, which She was talking about in the first part of the Apparition.

Today, She was dressed in a white robe, and tightly gripped the rosary in Her Hands, which She offered to this city of Buenos Aires. She also had a pink veil and a gaze, a very transparent and natural semblance.

She then began giving us some indications until She began to address Her Words to everybody.

One of the tasks She asked of us today refers to the service which will be done in Lujan. One request is for the two Marian Centers, the Brazilian one and the Uruguayan one: that two representatives of the Grace Mercy Order from each of the Marian Centers meet with the groups of Argentina, and that after seven days, they carry out the service in Lujan, not only through prayer, but through service tasks.

Afterwards, She asks for the images to bless them, and we asked Her what the reason was for blessing these images. She said that the group of prayer that had those images had been very faithful to Her through all this time and that She wanted to make a motherly gesture to them.

At the end of the Apparition, She made a second request that we will share at the end of this work. That request was explicitly for the groups that work with the Light-Communities.

Mother María Shimani de Montserrat:

Now we'll sing to say goodbye and the groups that work with the Light-Communities can stay so we can share the task that Our Lady asked of us. The brothers and sisters that carry these images can also stay a little while to speak with you.

Our sister Suely, please also stay after the song.

Let's sing "Divine Mother."
