**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

A servant of My Son Jesus must always transcend the paths of life to be able to finally see on their own horizon, the Light of Christ that guides them. For this reason, dear children, today I invite you to the persistence of the heart so that in this way your hearts may only seek to be in Jesus, to be in the Heights, in the House of the Father.

Therefore, My dear ones, I remind you of the importance of awakening the true spirit of the prayer of the heart so that all the groups of prayer that have consecrated themselves to My Immaculate Heart may be able to have Jesus as an aspiration and the Holy Spirit as a guide.

Each one of you must help Me at the end of this year so that the plans of conversion and salvation can reach the greatest number of souls. For this reason, My little children, carry Me in your hearts so that My Maternal Light may accompany you.

Know that I am with you, walking by your side, watching you with My Maternal Love.

Never forget that your hearts, day by day, must ignite the Marian fire that My heart radiates to you through the daily messages.

In this way your hearts, participating of My celestial mission, will allow the Grace of the Father to touch many souls that need conversion and forgiveness.

Know, dear children, that God sends Me to each one of your lives so that you may recognize that My Heart comes before My Son to rescue you and save you from the perdition that many are living.

May My Maternal Love fill you so that in trust you may walk towards My Son.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
