DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children,

Search for God in your hearts. Unite once again the ties of love with Him so that your souls may be in peace. Live under the Light of Christ; find the path to conversion by His side. In this way, your feet will walk at the same pace as His Sacred Heart.

Do not fear the changes, the world is in the cycle of Redemption. Therefore, My dear children, do not disturb yourselves for the faults committed against God. Seek to unite your souls with the Creator so that His Gaze and His Heart may radiate Love to you.

Today I come to ask you to pray with the heart so that the Gifts of the Father may be made visible in all of you. The true love is a Gift from God to which you must always return so that life may be permeated by the Light of the Heavens.

Dear children, I call you with My Great Heart of Mother so that in the day-by-day you may be able to live in reconciliation. The world offends God without perceiving it. For this reason, dear children, you are called to radiate peace. Your hearts must be like Mine: fountains of peace for the world. Convert your hearts into a source of life so that through prayer they may radiate the fruits that love will bring to you.

Dear children, I thank you for the response of your prayers. We must continue in prayer because all the souls need conversion and hope. Live in the law of My Immaculate Heart.

Thank you for responding to My call.

In the peace of the Heart,

Mary, Mother of the Divine Conception of the Trinity
