**MESSAGE FOR THE APPARITION IN THE MARIAN CENTER OF AURORA, URUGUAY,
TRANSMITTED BY THE MOTHER AND VIRGIN MARY TO FRIAR ELÍAS**

Dear children:

When the 13th day of the month arrives I remember My memories of My special coming to Fatima, Portugal. For this reason, dear children, today I remind you of the important planetary task that My Immaculate Heart realized during the year 1917.

For this today I ask you that, the same as the little shepherds, to prepare your lives to bring the message of My Beloved Son through the path of the Apostolate. Children, as a Mother I will be accompanying this new journey to the life of service and charity, as well as of prayer and devotion to the Sacred Hearts.

In Fatima, I asked the world for the consecration to the Immaculate Heart of Mary and years later, My Son Jesus asked Sister Lucia dos Santos for the exercise of the repairing communion for five months. Now dear children, through the offer of all faithful worshipers who have listened to the call of Fatima My Heart has been repaired from the outrages and indifferences.

From Fatima I opened the doors for the awakening of Medjugorje and from Medjugorje I opened a Source of Grace in South America. Fatima was my principle and special Marian task that brought together all the universal and celestial powers through Love of God so that humanity would not destroy itself. Fatima was, is and will be the light for a great part of the world, as is Medjugorje, Salta and Aurora.

Now, My children, the Queen of Heaven, comes as the New Aurora so that all Her children may reborn through the faith and the devotion to the Immaculate Heart.

Dear children, in this way you will be able to understand how are the Divine and Celestial missions on Earth, missions that are sent by the Absolute Lord of the Universe so that humanity, still immature in consciousness, may be accompanied, guided and advised.

Today I call you, My children, for this important cycle to unite and merge yourselves with the Divine Soul of Christ, so that your hearts may learn through prayer, fasting and confession, to repair the Heart of My Son. Thus you will see My little ones, how big is the Love of My Son for you; so big is this love that He is descending from the Celestial Universe to talk to you, to guide and prepare you for the new and the good.

That you, invaded in spirit by the Merciful Glory, may become aware of the merciful time that you are living.

When I invite you to recall My important maternal task in Fatima it is for your hearts to be able to awake to the moment of the task that My Heart is realizing with all of you. Carry again the message of Fatima in your hearts and thus you will be able to be renewed by the message that during a

whole year My Immaculate Heart has brought you.

Dear children, try to learn to read the events so that united to God, His creatures may help to accomplish the Plan of Love on Earth.

I thank you for listening to My Call!

I bless you with love.

Mary, Mother of the Divine Conception of the Trinity.
