MESSAGE FOR THE SPECIAL APPARITION IN THE CITY OF SAO FRANCISCO XAVIER, SP, BRAZIL, TRANSMITTED BY THE MOST HOLY VIRGIN MARY TO THE VISIONARY SISTER LUCÍA

Beloved children

In humility, that the world may see the example of devotion in My children, so that the Lord may use this devotion for the Salvation of souls.

In the simple but sincere acts of a heart that burns in the pure flame of devotion, My Heart finds encouragement.

If you knew how valuable and appreciated the little demonstrations of love of His children are to the Lord, this moment in which you allow the heart to leave the things of the world, for an instant, to be totally fulfilled by Celestial Love.

My children, let yourselves be permeated by the devotion that touches you, surrender your hearts in the purity of a holy madness, to show Love to God, following the voice of the heart.

In the invisibility of your true acts is the merit generated by the love of your hearts, so that many souls may arrive to My Kingdom.

A soul that answers to the call of the heart and surrenders without fear to the Most Holy Heart of My Son is a soul that is lifted for all of humanity. Each one of the hearts that risk themselves to surrender their life to God, without knowing, do it on behalf of all humanity.

When one of My children surrenders definitively to My Heart, the joy I feel is so great, as if all of humanity were in My arms, because this is what it is like in the Kingdom of the Heavens.

For the Lord nothing is separated, the human heart is a single heart. In this way, My children, the evil caused by humanity is an evil of all, that does not allow the walk of My little soldiers.

For this, be stronger than the opposing forces, cross this sea of adversities created by yourselves as humanity, and take another step for all of humanity, confirming that your hearts and the human heart, belong to the Heart of God, and that with Him they will merge when the time comes.

Live each test with patience, with the will to overcome the obstacles. Be faithful to the purpose of your hearts, and if you already know that you are here to serve this One and Only God that guides you, do not fear to do it. Do, with all your heart, what the Lord asks you in your interior, and also through the situations of life.

Be more conscious in your lives and never lose sight of the horizon towards which you are walking, never allow yourselves to forget that you represent the whole world, and that all your actions, from the most simple to the greatest, generate merits for the Salvation of souls.

Walk, My children, walk only to grow in your hearts the devotion that unites you to My Heart.

Do not lose the fervor that already exists in your hearts and while you pray, alone or in group, remember always that I am listening to you, and that I unite Myself to your hearts to form petals of flowers to be offered to Our Lord God, for the eternal reparation of His Most Holy Heart and of the Most Holy Heart of My Son.

I thank you eternally for persisting in answering to My Call.

I love you and I accompany you from the Heavens.

Mary, Mother and Queen of Peace.
