MESSAGE FOR THE APPARITION OF THE BLESSED VIRGIN MARY, TRANSMITTED IN THE CITY OF LAVRAS, MINAS GERAIS, BRAZIL TO THE VISIONARY SISTER LUCIA

Praised be Jesus Christ, your Redeemer.

My children,

Upon those who are willing to respond to My call, I will raise the columns of My Temple of prayer. Upon those who transcend weariness in reverence to My Presence and feel Me within their hearts, I will deposit the infinite Grace of the Spirit of God. Upon those who are with Me and live to fulfill the Plans of God, I shall always place the Power that God sends Me for these the Lord has summoned with His own Voice. To these, the Lord will give His Kingdom, when the time is right. Also in these the Lord can place His Cross, the one that redeemed the world and today purifies it.

Those who have given themselves to Me and trust in My Words, I call My Marian soldiers. Those who serve Me do not encompass the amplitude of My Plan and yet, they allow themselves to be guided with simplicity by My Heart.

Those who are by My side walk with Me, unaware of the path along which they are being led and, as children guided by the mother, they just follow the footsteps of their Mother.

To this I invite the world today, to allow itself to be guided by the Redeeming Mother whom the Supreme Lord sends.

I invite you to follow the living example of those who are imperfect, but who, with sincerity and simplicity, respond to My call above all things.

Today I invite, My children, each of your hearts to safely take the hand that I offer you, the hand of the Mother of the World, and, as children, allow yourselves to be guided by My Heart.

I lead you on a path of sacrifice but of joy. I lead you on a path of suffering but of the salvation of souls. I lead you on a path of eternal service to concretize the Great Work of the Lord.

Those who accept to walk with Me are invited to see life from another point of view. Your sicknesses will no longer be sicknesses, they will be a way to liberate the pain which exists within souls. The weariness of your bodies will not be weariness, it will be the source of salvation for all those who do not find strength nor inspiration to transcend themselves and to respond to the Will of God. The hunger that you might experience, the cold or heat that you might live will be opportunities given by the Lord for the balance of the world and the rescue of souls.

Today, My children, My Heart aspires to recruit new soldiers, hearts that are available to accompany the Blessed Virgin Mary in the rescue of souls and Kingdoms with the offering of their own lives.

My soldiers do not carry out great works, but learn that in the little things of life lies the opportunity to make an offering to the Lord and to generate merit for the salvation of souls.

Under the Grace and impulse which the Lord sends you from the Heavens, I bless you all and I tell you, beloved children, that, for the love of the Sacred Heart of Jesus, never lose the incentive to serve and pray, especially in union with the Kingdoms.

My praying children of this city of Lavras, I call you to persist in the service to the Kingdoms. Those who until this day have not given their hearts the impulse to do so, let them do so, for this was the way which the Lord found to repair the evil which the world causes to the Kingdoms and to give meaning to the life of this city.

My children of the world who are open-hearted to respond to this call for the Kingdoms, I invite you to attend and generate merit so that souls can enter into Paradise.

My Marian Group, I invite you on this Sunday to be in prayer and service in the heart of this city, where the Lord deposited a source of redemption and love for the Kingdoms.

I thank you for responding to My call!

I bless you always.

Mary, Mother of the Divine Conception of the Trinity
