**MESSAGE FOR THE VIGIL OF PRAYER IN THE MARIAN CENTER OF AURORA, URUGUAY,
TRANSMITTED BY THE VIRGIN MARY TO SISTER LUCÍA**

My children:

Today more than ever I hope that you will encounter My Heart so that you may understand the moment in which you are living.

Do not search in the events of the world for the signals for the return of My Son because it will not be in phenomenon that you will find Faith. If you trust in My Heart you will know that in the simplicity of My Word day by day I come to show you the true path.

Do not be distracted, My children, with the movements of the enemy because the evil sows a lack of faith and it will lead you to an equivocal path.

The Lord sends me to guide you because through My Love you may arrive to Christ. My Word is simple and so little is what I ask you so that you may accomplish My requests. And the only thing that I ask you today is for you to run away from distractions and enter into the heart, because the path to the heart will become each time more difficult. Search for the Love that exists in the depths of your beings and love even if you do not believe that you can do this.

Love, My children, is to serve God in all things. If your little beings will allow you to live simplicity you will discover how accessible is Love.

Understand My children, that to receive My Son it is necessary, first, that you may live Him in your hearts. Because it will be your own Christic Love inside of some of you that will construct the path of return for the Redeemer. When you delay more in opening your hearts, the more you delay the Lord from coming in Body, Soul and Divinity.

I am not asking any more that you study My messages but only that you live them.

Even if it is only one word of My Word, manifest it.

Be simple, fast and pray with the heart.

Be strong, humble and serve with Love.

Bring My Peace to the world through silent actions.

Ask God for the souls, for the kingdoms, for the nations and for the world.

Bring my Mercy to the Earth.

Trust in My Heart.

Live only one attribute of My consciousness and this one attribute will build in your beings the necessary strength.

I do not ask you for perfection but I ask you for courage.

Here is the path built before your own eyes, it is only to be followed.

Here is My Son who arrived in Spirit, listen to Him. Receive His guidance and live His Mercy. Hold strong the hands of Christ and persist there so that you may encounter Him face to face and receive from His own eyes the Forgiveness and the Redemption that will bring you back to the arms of the Creator.

Even if I have pain in My Heart to see that the world does not listen to Me, I love you all.

I thank you.

Mary, Mother of the Divine Conception of the Trinity and Lady of your lives.
