MESSAGE FOR THE VIGIL OF PRAYER IN THE CITY OF MONTEVIDEO, URUGUAY, TRANSMITTED BY THE MOST HOLY VIRGIN MARY TO THE VISIONARY SISTER LUCÍA

My son, My daughter,

Enter without fear into My Heart if you aspire to be guided by the Queen and Mother of the World. Run without delay into My arms through prayer spoken with love, so that in this way, I am able to elevate your pleas and intervene before God for your souls.

The Lord has a purpose for each of your lives, and also aspires that through the change in your hearts, the purpose He has for each of the cities of the world may be able to manifest.

My children, as Mother, I intervene before God for My children, to thus open the paths that go from Heaven to Earth, through which Mercy and Pity flow into your lives, your families and all the kingdoms.

My Presence in a city always has a spiritual reason: I come so that the Lord may have a path open to send His Spirit, and through It, cause to descend the true archetype that is in Heaven for each people. Do you understand, in this way, how broad My maternal task is?

I invite you today to be more active together with Me in My Peacemaking Mission, for My Heart radiates Peace to the world, radiates Mercy and conversion.

I only ask once again that you be awake and open in your hearts to perceive the direction of My steps as a pilgrim and to allow Me to walk toward the depths of your beings, preparing a safe dwelling place in your hearts.

Beloved children of Montevideo, I come to announce to your hearts and your essences that the Lord has a special purpose for this city and for this Nation. But so that the Will of God may manifest in this place, it is necessary that His missionaries be active not only in prayer, but also in service, in communion, in unity, in compassion and in the Apostleship of Christ, bringing the Good News of My Presence and of the Return of the Redeemer, without there being fear in their hearts.

An apostle of God and of His Messengers trusts, above all things, in the Promises of the Lord. Faith is the flame that leads them, that makes them untiring and invincible. The faith in the heart of the apostle of God removes from them all fear of losing the conquests of Earth, to gain the eternal Glory of the Kingdom of the Heavens.

In union with their brothers and sisters, the apostle of God prepares for the coming of the Messengers of the Lord, and it is the union among the apostles that God left on Earth that will build the firm foundations of the Temple in which the King of the Universe will commune with His companions when He returns.

For this reason, never forget, beloved children, that if you want to be faithful apostles of Christ,

manifest the Love that He taught you through the living love between you. As Our Master and Lord said, there is no greater love than giving one's life for one's friends.

With these words in your hearts, ask God to show you, through His Sanctified Spirit, the steps to be taken. And pray, My children, pray without time nor weariness; the world needs it.

I humbly thank you for having responded to My call.

The effort to receive Me will cause your hearts to grow.

I love you.

Mary, your Mother and Queen of Peace
