APPARITION OF THE VIRGIN MARY AT THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the name of the Father, the Son and the Holy Spirit. Amen.

Dear children,

While the world celebrates a night of Light, the darkness celebrates a night of shadows, but My Immaculate Heart will triumph so the Word of God may reverberate on Earth.

In this meeting today, dear children, I invite you to a true conversion. Let your hearts definitely open to My call so that I, through My hands, may untie the knots in your lives.

Convert to My Son, dear children, for in this way, you will help humanity to convert. While the Light of the Kingdom of God descends over the world on this night, My Heart proclaims the grandeur of the Celestial Kingdom.

Angels and Archangels congregate for an important mission, the Hosts of Emmanuel descend to Earth in order to liberate the earthly purgatory and all those who have condemned themselves, throughout time, to suffering and perdition, to the absence of the soul and love, to the lack of faith in God.

For this reason, the Most Holy and Powerful Mother, Who announces Herself on this night to you, brings you the great Star of Fraternity, the one which perpetually illuminated the universe and the Earth during three consecutive days in the celestial spheres of Bethlehem.

Thus, receive this symbol of confraternity so that it may be sown in your hearts and you may definitely become great suns on Earth. On this night, I have need of warriors for these definitive times. Do not waste time in conflicts, in disharmonies, in disputes; open your hearts to redemption.

The Perpetual Flame of God desires to deeply enter into your lives; thus, My Heart draws close to your hearts so you may feel the same palpitation of My maternal Light, which comes to help you, assist you and protect you in this end time.

Walk together, dear children, and carry out the proclamation of Love.

Announce to the world that I have come here, just as I have come to Medjugorje.

On these very special dates, dear children, there is a great confrontation between the Light and evil. The game is being played on the board: who will define themselves?, who will follow in My footsteps?, who will see the Light of the beyond to be able to receive God in their heart?

My Son ardently waits for the new apostles to be able to seal, in your essences, the energy of Christification, which will deeply transform you from one day to the other, overnight; so you may

wake up to the new and the real, to that so perfect design which exists in the Kingdoms of God, which is unknown to many because they have disconnected from the true reality.

Thus, on this night, I come to meet you, in My Maternal Heart receiving your pleas and your intentions.

Dear children, it is truly time to awaken. The Lord wants to gather together all His flocks, for the enemy has made sure to separate you through differences and ideas that each of My children has on the Truth.

For this reason, I invite you, dear children, especially all the blessed families who are today united with Me in the depth of the heart and the spirit, to perform a true consecration, so that God may receive in His Kingdom this great offering, which all can make in this very definitive time.

Today, My Immaculate Heart shines forth. The great Star of Bethlehem reverberates in the subtle universe, sending its codes of Light to all those who may want to receive them.

Dear children, the universe and the Earth commune on this night through the Birth of My Son and the coming of My Immaculate Heart into your lives.

My Son hopes that you can really take the steps. But each one of you will know before God what you can give Me; with Grace and joy, I receive all your offerings.

Today I bring you a faithful example of My spiritual Marian task, which I have been doing throughout these years, walking by the side of My children, of the pilgrims who seek the Light of the Father in this time of darkness. But fear not, beloved children, the Light will prevail as long as you believe in it; it has an invincible power because it is an emanation of the Source of God.

Connect every day with the Highest through prayer, service and charity. God expects the best results from you on this pilgrim path, which after this life will definitely take you to Paradise.

You need to work, during this time, beloved children, for the next world that awaits you. There is nothing else to do on this Earth only pray and pray with the heart.

Open the doors to receive My Son. He waits to be truly born in you, so you can come out of yourselves and that now, at this time, redemption may reign, the infinite path to peace.

Thus, on this night, beloved children, I gather a group of My children together who have responded to My call through sacrifice and self-giving, but I expect many more to come to this meeting with My Immaculate Heart.

I am not defining merits on Earth, but rather profound Graces for your hearts; a special and spiritual state that God has granted you through this day of consecration.

For this reason, I invite you to encourage yourselves to be consecrated; each one will know how to consecrate yourself, experience this perfect communion with God because He will always wait for you.

Friar Elías del Sagrado Corazón de Jesús:

The Mother is asking us to sing the song of consecration, that song which was born in the Figueira Community, and She asks for all the Children of Mary to approach so as to bless and consecrate them.

My very dear children, by the great Star of Bethlehem sent by God to the world to illumine the whole race, the future of all generations, and by the commitment My Immaculate Heart made in God and for God, I come on this night to bless you and consecrate you to the Kingdom of My Peace.

Thus, from the beginning, I asked you to dress yourselves in a light blue color so that you would carry on your bodies the protection of My Mantle, the one that covered Me during the Way of the Cross, that went on pilgrimage together with My Son, proclaiming the Word of God in those times.

Through this simple symbol, I pour out the Codes I have achieved through My life upon this beloved Earth. As the Mother of all, through this practice of consecration, I consecrate all of humanity; especially those who do not listen to God and who live far from God, separated from the Light of My Son and the true Love of My Heart.

I hope I have been able to build your sacred dwelling places in these years.

My purity is with you, My simplicity accompanies you, and My sacrifice of being in this world also accompanies you on this eternal pilgrimage to awaken wounded hearts and heal souls who are in agony throughout this world.

Dear children, placing My hands upon you, I bless you and forgive you. I give you My Divine Mercy, which My Son poured out when Blood and Water sprang forth from His Side; and may this precious spiritual Gift, this inexhaustible Source of redemption and peace be able to remain in your hearts and in your essences.

Remember, dear children, that after so many tests you have experienced, of the surrenders and efforts, better times will come for all. God never abandons those who fully trust in His Plan of Love. He wants to transform your lives and again awaken the commitment you have made to Me once in Nazareth.

As Mother, I gather you together again and I thank you all for your dedication to My Plan. Because behind all this non-material and invisible mystery there is My walking onward; the steps of Light which I take for you in the silence of My Heart, accompanying you at your side so that you not fall into those abysses the world has created, but rather that you are able to build new bridges over those abysses so that many souls, which have become lost through a lack of faith and love, are able to spiritually be revived.

Open your hearts and feel the Light of My Heart, the caress of My hands on your faces and the

blessing that I give you through My Motherly embrace. Let My Immaculate Heart be the Guiding Star for your lives and those of your siblings.

I thank you, My very little and dear ones, for having always responded to My call. Remember: you will see the fruits in Paradise.

Friar Elías del Sagrado Corazón de Jesús:

The Mother is asking that the bells ring again and that we sing "Queen of Peace" (in Italian) to unite with Medjugorje and receive Christ into our heart.

Until tomorrow, dear children.

Experience a night of peace; that is what is most important for your lives.

Thank you, dear families who listen to Me and unite with Me, for having manifested the Manger, responding to the Call of My Son. This is the faithful symbol of the New Humanity.

I thank you!
