### **Message for the Vigil of Prayer, transmitted by Mary, Queen of Peace, in the city of Lavras, Minas Gerais, Brazil, to the visionary Sister Lucía**

Beloved children,

May Our Lord Jesus Christ always be praised.

With infinite rejoicing, today My Heart descends to this Earth to bless and consecrate this city.

In My Hands, I bring infinite merits for the conversion of hearts and spirits. I come as the Lady of all Graces, so that the Graces the Lord sends from the Heavens may be present in your lives.

My children, as Mother and Queen of Peace, I hope that My Peace may reign and live within your hearts because through it you will find the purity and the strength to follow My path towards Paradise.

Beloved children, to have merits for entering into My Kingdom, you must convert your hearts and your lives. You will achieve this through meekness, purity, sincerity, and simplicity.

The Lord does not care about the sins you have committed in your lives if today you place them all at My feet because I am the bearer of the Forgiveness of God and I offer this forgiveness to the world.

As Messenger of the Lord, just like John the Baptist spoke to you, today I tell you: repent. Repent for the errors in life, for the deceits and the omissions. Repent for the good you did not do and allow My Heart to renew your lives.

As Queen of Heaven and Earth, the Lord granted Me the power to liberate your hearts from all faults, of cleansing them of all stains created by the experiences you have had in the world. It is only necessary that you trust in the power of My intervention and accept the conversion of your lives, so that in this way, you may be My faithful Marian soldiers.

As Mother of your little hearts, I open My arms to receive your spirits, to forgive them, and love them always.

I want to prepare your lives for receiving Our Lord, the Redeemer of the world, Who will come in body and soul to awaken all creatures.

It is for this reason, My children, that the Lord gave Me the power and the Mercy to cleanse your souls, to forgive your debts to the Lord, as long as you are willing to live a new life.

This new life, for which I am preparing you, is a life of pacification, conversion, and communion with My Son Jesus. I do not promise that you will be free of suffering on this path, but I do tell you that through the suffering in your lives, many souls will be freed from the darkness in which they

live.

Today I invite this city of Lavras to be consecrated to the Heart of the Blessed Virgin Mary through a life of prayer and permanent offering to God, leaving the Lord in charge of the direction of your lives.

I thank you as of now, for I see that many are responding to My call and some other hearts are opening to know My Heart of Mother.

Come to Me those who seek peace; I give you the Peace of the Lord.

I give thanks to all My children of Lavras for opening the door of your hearts to Me.

Mary, Queen of Peace
