**APPARITION OF THE VIRGIN MARY IN LAVRAS, MINAS GERAIS, BRAZIL, TO THE VISIONARIES
FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS**

The Apparition of the Virgin Mary was silent, and on ending, the visionaries presented an account of what took place and what Our Lady transmitted to them.

Mother María Shimani de Montserrat:

Today, many things happened. In silence, we wrote what Our Lady said to us. And now, Friar Elías will transmit a short account of what took place.

Friar Elías del Sagrado Corazón de Jesús:

Today, the Apparition of the Mother was well prepared, silently and in plenty of time.

After a long time, She came. She came accompanied by some saints such as John Paul II, John XXIII, Saint Joseph and the blessed Emmerich, who wrote about the Passion of Jesus.

And in these Presences, we asked the Mother the reason for them being here. She said: "They were chosen to intercede for humanity in this end of times. You must also dedicate your prayer and devotion to them."

In that Presence from Heaven and with those Saints, at the Feet of Our Lady appeared a part of hell. At first, we thought that it was something bad that was happening, but She said to us: "do not fear, do not fear, dear children", and from that fire from hell She was freeing many Children who, Our Lady told us, had been misdirected when incarnated.

That was the reason for the prayer of the Hail Mary, the Our Father and the Glory, to help Our Lady in that liberation. Afterwards, that image of hell closed.

Today, Our Lady appeared as Mother of the Divine Conception of the Trinity. She told us She was bringing a healing especially for Lavras, the spiritual healing that many of Her children need in this place.

During a moment of the Apparition, Our Lady rested Her Feet on a great rock, and we asked Her: "Lady, where are the flowers, the flowers You always bring?"

A part of Her Mantle covered this rock and when we asked that question, She pulled Her Mantle a little aside from that rock and under Her right Foot was a serpent, which She was firmly treading on.

She said: "today, I am in hell, dear children. Just as I come to the world, I also come to the hells of the world."

Afterwards, that image disappeared, and She asked us to follow Her task silently.

She promised us that tomorrow She would speak more Words and that today, the Father had asked Her to do a special task, which we should follow with our heart.

Mother María Shimani de Montserrat:

Today, when the prayer began, we felt a special energy; there was a sort of density which we couldn't overcome; we felt that something was happening in the hells. When these things happen, which sometimes many of us feel, we need to concentrate on the prayer and know that with Our Lady all is well, because we're learning to do special tasks with Her.

We felt more and more that She is involving more of Her children in tasks that previously only the monks or the Light-Communities could do. She is expanding this task to all those that are in Her Heart, because the more we are, the more souls can be liberated.

Now we're going to read the small Message that Our Lady dictated to each of us. She told us they would be short because today the task would be more silent.
