WEEKLY MESSAGE TRANSMITTED BY THE BLESSED VIRGIN MARY TO MOTHER SHIMANI

My beloved children of Argentina,

Tireless, I am here again amongst you, to bring you My Peace, My Love and so that you may meet with My Immaculate Heart.

Salta has been My home for more than twenty years, and it will continue being so while all of My children from this nation and from the world seek Me, and want to be under My Grace.

Today I bring here these children of Mine who live within My Immaculate Heart and who are available to live the unity, the fraternity that My Son taught when He was here on Earth.

I am here accomplishing a plan of Our Father, the one which unites My message of love and warning to humanity so that all may know that the Mother of God is the Mother of all in the world, and that in this time She has the task of gathering the flocks of the Great Shepherd for when He comes in his awaited Return.

My voice will never tire of calling My children in those places where God, Our Lord, has allowed Me to sow a mirror of the Kingdom of Heaven on Earth, a place of prayer and devotion where all of My children of the world may find Me.

Today I want to pour My peace upon this place that has been receiving Me for such a long time, and that not any difficulty has managed to tarnish.

When I no longer appear publicly to My visionaries in the world, these holy places, My beloved Marian Centers, will be spaces of love, peace, prayer and devotion, where humanity will find refuge for their doubts, conflicts and despair.

Pray, My children, pray for My Marian Centers in the world so that in spite of what will come they will stay firm and available for all of humanity.

I will always be there. My Spirit and My Maternal Love will always wait for you to cover you with My Mantle of Protection.

I wait for you tomorrow in My place of devotion because together we will create a flow of light that will be able to rescue many souls. I want this nation to definitely be consecrated to My Immaculate Heart so that I can intercede before God in the time of the Great Justice, which is coming.

Open your hearts to receive Me, beloved children, and do not tire of crying out for My presence in your lives.

I love you deeply and, in Glory, I guard you within My Heart. My Son waits for you within His

Heart to fulfill you with His Love and His Light.

Mary, Mother of all creatures.
