**SPECIAL APPARITION OF THE VIRGIN MARY IN THE CITY OF CAMPINAS, SAO PAULO, BRAZIL,
TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE
JESÚS**

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Do not forget, dear children, that I Am the Lady Untier of Knots and in My hands is the power of liberation.

As Mother of Sacred Relief, I want to alleviate your hearts on this night; but I also want to free the knots that have tied you since long ago. Thus, invoke My Presence, and in this way, I will grant this Grace.

I come from Heaven to bring you Peace, but also liberation. It is time that My children grow up on the path of conversion.

You know, dear children, that My perpetual request is prayer. Together with the Child Jesus, we will untie the knots of your lives; because today, He is in My arms so as to also bring you His Mercy.

He also wants you to follow the path of peace and conversion through the example of the good disciple who follows the teachings of the Master of the Universe.

There are many knots in this current humanity; I have need of your prayers so I may untie them. Permission first begins in you; thus, open your hearts so this may happen.

A good Mother frees Her children from sin and damnation. I want to carry you always toward a meeting with My Son; because you know, dear children, that humanity forgets about Him.

Give Me your knots tonight, for I will grant you the power of liberation through the Supreme Grace of My Heart. I want you to walk toward that meeting with Me every day, through redemption, conversion and prayer.

I also want to free the knots which exist in your families. You know, dear children, that the Mother of Nazareth has that permission; because while I was here, on Earth, I was able to learn much among you.

The angels guided Me so as to be able to grant healing to many hearts, the resurrection of the dead, of all those who had fallen into hellish sin.

From the beginning, God granted Me the Grace of being able to free you.

But know, dear children, that My Beloved Son is above all things in this world, and He sends Me to prepare you for His Return, so you will wait for Him with joy and devotion.

While the world is redeemed and others are condemned, I ask, dear children, that you use the means that exist in the Sacraments, for in this way, your spirits will be strengthened for the final hour.

In this way, I will be able to walk by your side, silently, and thus will consecrate your hearts, little by little, until I bring you to a definite meeting with God.

Today, My words become sacred in your hearts, because I want them to be sown and grow in your hearts so you may be born again to peace; the peace the world needs, mainly the families that are separated through the action of the enemy.

For this reason, always hold in your memory, dear children, the Lady Untier of Knots, for thus I will always aid you when your feelings are sincere and kind to Me, and in this way, you may open a door to change, the change of your lives.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

May no conflict in your hearts, My children, be greater than the love you feel for Me and the aspiration of your hearts to find Me in My Celestial Kingdom.

Today I tell you that I also come to teach you to set aside the small things in life that close your hearts and stop you from meeting with God.

Because, My dear children, if you allow yourselves to meet with Me, setting aside, even if for a small instant, the problems that afflict your hearts, I will be able to show you, through My Maternal Eyes, all the needs of the world and how small the needs of your lives are, in light of what the world experiences in this time.

Today, give thanks to God for being with the Mother of the World, Who from the Kingdom of the Heavens, brings the possibility of the liberation of your hearts.

Firmly secure this opportunity, My children, so that My Ray of Liberation can go deeper into your essences and continue to work within your beings, beyond this day. And for this to happen, it is necessary that you walk in prayer, that to your minds you bring your thoughts of honesty, charity and faith; for in this way, you will balance the evil which exists in the world and all the thoughts that are emitted to the Universe, which only cause pain to the Heart of God.

My dear ones, today I tell you to cultivate joy within yourselves, through charity, through loving assistance to others; because if you serve your brothers and sisters who are most in need, you will find Christ within each creature, for the Lord becomes visible to the eyes that seek Him in needy hearts.

The Light of Our Lord is shown to those who seek It and who seek to ignite this Light in the

essences that are extinguished today.

The works of charity, My children, will carry your souls onto a path of transformation, a path of transformation also for the world, because you must never forget that each of your souls represents all of humanity to God.

Thus, My beloveds, never fear changing your hearts into pure, simple and humble hearts. Because while the hearts of the world seek to grow in vanity, in pride and in their material life, your small hearts must show themselves to God as hearts that value the Kingdom of God and recognize that all the riches of the world are nothing before God.

The greatest riches that your hearts can hold, and that no creature of this Earth could ever take from you is the Love which Christ places in each of your essences, even in the hearts of those who do not know Him as Lord and King of this Universe.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

In the Presence of the Child Jesus, and as Mother and Lady Untier of Knots, today I want to free the knot of illness of the body and the soul.

Thus, in this moment, dear children, with faith in your hearts, in the belief of the Presence of God through My Immaculate Heart, place in My Hands the illness of the body and the soul, and in exchange and lovingly, I will give you the Healing of My Heart.

Thus, dear children, I speak directly to those who are present here today and also to those who are following My visit on this night.

You will see, dear children, how into My Hands are placed great knots from humanity, and the freeing of each of them will be because of your faith in My Merciful Heart; because the door of My Heart, of My Humble Heart, will take you to Jesus, the King of kings.

Friar Elías del Sagrado Corazón de Jesús:

Our Lady is saying that She will pray for the healing of the body and the soul.

While we pray, She asks those present that with complete harmony and calmness, to come here.

Prayer: Hail Mary (several times in Croatian).

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

As the Father of the Universe teaches you, dear children, any soul that wants to receive a Sublime Grace directly from His Heart, must place the palms of their hands facing up, in a sign of reception of the Light of the Greater Source which emerges through My Heart.

Close your eyes and feel My Presence. God is with you at this moment and sends you this spiritual healing through My intercession as your Mother.

At this moment, God gathers together all the aspects I have made known throughout the centuries, all over the world.

My Great Virginal Consciousness is here.

See in the palms of your hands a sky-blue light which represents the Source of My Grace, My repairing Grace for My dear children.

Place yourselves with trust in My arms and listen to My following prayer:

Most Holy Father of the Universe,

Who grants Graces and Powers
to Your Celestial Messengers,
intercede for this part of humanity
which seeks hope, consolation and healing.

Through My Immaculate Heart,
which represents the power of Your Love on Earth,
grant Me the Grace of pouring out
Love over My children;
and, through the spiritual help
of Your Beloved Father Archangel Raphael,
may My Heart pour out healing Graces,
repair the evil in hearts,
free them from sin,
so that they achieve the promise
that My Son granted them
to be now in Your Paradise.

Amen.

Bring your hands to your heart.

I bless these sacred images, in gratitude and love.

May the Healing Power of the Father, may the Redemption of the son, and the Love of the Holy Spirit remain in you and give you the strength to walk firmly toward the Sacred Hearts.

I thank you.

Friar Elías del Sagrado Corazón de Jesús:

Let us intone "Hail, Hail, Hail Mary."
