WEEKLY MESSAGE RECEIVED IN THE MARIAN CENTER OF THE HOLY SPIRIT, CÓRDOBA, ARGENTINA, TRANSMITTED BY MARY, QUEEN OF PEACE TO THE VISIONARY FRIAR ELÍAS

Dear children,

I call you again to the conversion, conversion that is born from your hearts towards God.

Dear children, My maternal joy is immense for this meeting of today.

With this I want to tell you that now and always I am with you and you will be in My prayers for the good and for the peace of all of the souls.

As Queen of Peace I call you to walk upon this bridge that unites My Immaculate Heart with the Heart of God. That by means of the prayer of the Rosary My plans of Peace may be able to be fulfilled through My children, those who without delay follow My steps towards the Lord.

May the example of the good pilgrim nourish you with hope and that in My Son you may find the refuge that you seek so much for this spiritual life.

That each one of you may be able to fulfill My designs in harmony and in peace. That as soldiers of prayer you may be able to be united to the Will of God without receiving explanations because who is with God knows all.

I bless on this first day this Sacred Marian Center that will work hard for the spiritual unity of the souls that are most separated from the Love of God.

For this from the beginning My original request was the materialization of this House of Prayer so that the most needy souls may find in the Kingdom of My Peace, in the Houses of Prayer, a path of light and of reconciliation with My Son and with God.

Dear children, great are the Graces and the opportunities that I am pouring upon America and the whole world. May this cycle of union with Me be able to strengthen you for the great task that My Heart of Light will realize in the Andes and in Central America.

I come from Heaven with the aspiration of finding you in the hope of the Father because many are the children that today are lost for not knowing how to walk towards God. May your vow of union with Me be perpetual so that the Holy Spirit, that will give you strength in everything, may permit you to proceed in faith and under the Mercy of My Son.

On this special day I thank you for the opportunity that you have given Me of being able to come here and for having prepared My dwelling for the children who most need redemption.

Pray for the youth and adolescents so that the Mystical Body of Christ from the Holy Eucharist may be able to enter the spirit of each one of them and in this way the perpetual communion with Christ may be established.

Follow the path that I indicate to you through service and prayer. In this afternoon of Mercies I ask all

of the groups of prayer that, from next Tuesday on, they pray one mystery of the Holy Rosary together with the prayer and the act of consecration of the children to My Immaculate Heart.

I also ask you to pray on Tuesdays the Orandum of the Passion and of the Transfiguration of Jesus so that Christ, My Beloved Son, may be your main spiritual nourishment for this end of time.

Beloved pilgrims, I want to tell you that I have been able to work by means of your hands and that I have been able to reach My most needy children through the walking of your feet.

I encourage you to follow My steps of pilgrimage whenever you can.

For everything, I thank you!

Who blesses you and loves you always,

Your Mother Mary, Queen and Sun of Peace
