**MESSAGE FOR THE VIGIL OF PRAYER IN THE MARIAN CENTER OF FIGUEIRA, TRANSMITTED BY MARY, QUEEN OF PEACE TO THE VISIONARY FRIAR ELÍAS**

Dear Children,

As I will be today with your hearts in this spiritual community, I will also be sharing with you the anniversary of My first seventeen apparitions on the Hill of the Apparitions.

For this reason, children of Mine, today I call you to be ambassadors of Peace and of Prayer in the whole world because the Lord has asked Me to prepare your souls for the new time.

As Mother and Queen of Peace, I remind you of this important attribute of peace as in the day by day your consciousnesses may forget it easily.

Today I call you for the rescue and the salvation of your spiritual heart, a sacred dwelling for your Most High Father. It is through the heart that the most serious and difficult situations of life will find the true solution, because in your heart it is found the Love of God, the Purity of God manifested in all of His Creatures.

For this, dear children, the humanity of today must be a humanity that lives by means of the love from the heart. This will prevent wars, confrontations, social fights and, above all, unbalanced movements related to food and hunger in humanity.

My Maternal Spirit reminds you today of the consecration to the Immaculate Heart, thus the spirit of faith and the strength to be able to remain all the time in Your Beloved Lord will be able to be born in you.

Dear children, Heaven tells you the truths about your world. For this, with the rosary in your hands and the active and peaceful prayer from the heart, pray for the emergencies that exist in your humanity because while some sleep, others die, while some have everything, other children have nothing.

My Heart invites you to experience the spiritual balance, the correct use of the goods that the Father sends you. Thus you will truly help the whole world to receive the divine help needed in these times.

Beloved children, with joy in your hearts today I am inviting you day by day to live the transformation by means of the perfect model that Jesus represents. Imitate Him, follow Him and pray to His Sacred Heart, ask God for what you really need, the Heavens open themselves before you each time that My Immaculate Heart descends to your encounter.

May this vigil of prayer be a preparatory vigil for the pilgrimage that My Heart will carry out with you around the different cities of Brazil.

I thank in advance all of My dear pilgrims and praying beings for answering to My call of the visit of My Consciousness to each place of this Nation.

I thank you now and always,

Mary, Mother and Queen of Peace
