MESSAGE OF THE MOST BLESSED VIRGIN MARY, TRANSMITTED TO MOTHER SHIMANI

My voice cries out in the universe for peace for your hearts.

I am here in the Glory of God the Father to restore your essences and your bodies after the battles.

You must not expose yourself in these battles that My angels will fight for you. For this you must only pray with fervor, so that I will send My army of light in search of the souls that are being lost.

I am here as your Universal Mother to announce to you that I will be with you during the vigil of the day of tomorrow, Tuesday at the hour of 9 PM. There I will accompany your prayer and I will show you as My Blessed Love to collect the souls that are lost.

I will be with your consciousnesses during the whole vigil and I will receive each prayer that is said with love. Then in My hands they will be converted into petals of flowers, which I will offer to Our Father God to intercede for the souls of your brothers and sisters.

Today I am here as an example of My infinite love, that which springs from My Immaculate Heart and cures all evil, all pain.

Through My Holy Hands I will place upon My Soldiers a special protection, a symbol of My Love so that your hearts will never more be attacked by evil. This is a Grace of God that God has granted to Me. I leave with you this protection, that which will shine upon your heads and your hearts as an emblem that will guard your beings.

The Rose that represents My Virginal Purity will be the protection, that which will not allow for any loyal Marian soldier to be attacked by the enemy.

Beloved of Mine:

I leave to you a message of gratitude and peace. Take care, and care for My clairvoyants because the enemy will want to silence their voices. Only unity in prayer will allow for the task of the Mother of All to be victorious in Heaven and on the Earth.

Remember: pray, pray without ceasing, pray together and in unity, pray for My Marian Work in the whole world and take care with prayer of My Marian soldiers, those who go forward without fear.

I wait for you to pray with Me in vigil.

I am your Mother, your Mother of Peace. I am together with the Creator and I am also together with you in prayer. Come closer to Me.

Thank you for answering to My call of peace.

Mary, Queen of Peace and Mother of the World.
