SPECIAL MESSAGE FOR THE APPARITION OF THE MOST HOLY VIRGIN MARY, TRANSMITTED IN THE CITY OF SALTA, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS

After the transmission of the daily Message of Christ Jesus, the Most Holy Virgin Mary transmitted Her Message to us:

Now, My dear children, that you have entered into the Most Holy Heart of My Son, for a longer time, venerate this mystery of infinite Love that the Sacred Heart of Jesus pours out.

Dear children, pilgrims, with My arms open and My Heart beating with gladness and joy, I also thank all those who pray throughout the world, and specially the pilgrims that are in Salta, for responding to the Commandments of Our Lord God, the Most High.

My children, as Mother of Grace, during this 25th of February, I accompanied each one of you in the steps you took towards the Hermitage of the Immaculate Mother of the Divine Eucharistic Heart of Jesus.

After erecting the Hermitage, that I requested of the visionary of Salta, this loving pilgrimage of devotion, carried out by My pilgrims, accomplished an important purpose requested by God the Father.

Beloved children, this purpose, after consecrating the Marian Sanctuary in Salta to My Immaculate Heart and the task accomplished today by your pilgrimage, refers to awakening the sublime Grace of the salvation of millions of beings of indigenous peoples who waited for an opportunity of salvation.

Dear children, I want to reveal to you that through the Sanctuary and the pilgrimage, the work of the Immaculate Mother of Salta will be fulfilled beginning next year, in which other important spiritual events, as a Grace, will embrace other consciousnesses throughout the world.

The honest and true union of your prayer and pilgrimage during these last two days allowed the works of the Virgin Mary in Argentina, in Uruguay and in Brazil to remain united on the sublime Celestial Planes.

Now, after this Grace poured out by God, the next path will be uniting with My Marian task of Medjugorje.

Dear children, in this way, you will see that the Woman Clothed with the Sun, with the crown of twelve stars and the moon under Her feet, will be giving the visible sign of a coming time of Grace and of greater changes, for all My children.

My little ones, on this day, may My Immaculate Heart beat within your hearts so that you can feel My Love and My Glory, because I love you, I love you so much that if you knew it, you would recognize Paradise.

I thank you for responding to My call that has been accomplished.

Thank you, My beloved servants and pilgrims!

Mary, Queen of Peace
