APPARITION OF THE VIRGIN MARY IN MADRID, SPAIN, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

I come, in this Vigil of Prayer, to reconcile the peoples and the nations for all the suffering that has existed between the Americas and Europe. Welcome My Heart into your hearts so this may happen.

I Am the Lady of the New Race, of the New Humanity.

My Heart is the bridge to unite what had been separated. My Heart spiritually unites continents and nations; because the wish of God is that in the next time, after the strong tribulation, humanity may become one single race, a new renewed people of God, which acts and lives through faith.

Dear children, I forecast future times for you, but for that Aspiration of the Father to be able to take place in humanity, God deeply wishes that you keep praying every day.

As in other times, My dear children, I place Myself above My children to bless you with My Graces, enfold you in My Maternal Mantle, and take you into My arms so you may feel My Heart of Peace.

God deeply wishes for Spain to give the first impulse for a union among the peoples; because I have also been in El Escorial and in Garabandal, announcing prophecies for a future humanity.

Today I am here again in Madrid through different channels so you may hear My Voice again, My one true Voice which reverberates so It may be heard by your essences and may fulfill the Will of My Lord in you.

There is still much to heal between the Americas and Europe, dear children. I lovingly invite all Spaniards, and consequently, all of Europe, to receive the Lady of Guadalupe into your homes.

As the Lady of Guadalupe, I give you My maternal blessing. I want My Stars to shine in your homes, and as the song that you have sung to Me says, the crown of My head must shine in all souls, because Peace is possible in a time of chaos.

You must be the disseminators of My maternal call, a call to the heart, a call for peace. Heaven pours out its Graces through My sweet Voice and My Heart opens to welcome you inwardly.

I want you all to be able to be immaculate in the coming time and Fatima will give you that key to achieve purity.

Have you understood, dear children, why I have spent so much time in Europe?

It is a people in redemption, as are many peoples in the world who have heard My Voice, and many visionaries have seen My Face.

In this time, I have come to unite what is separate in the consciousness. My Rosary, My prayer beads reverberate all the time in the Eternal Time, producing an echo and a call to God, a request to the Most High Father of the Heights, for as Mediator, dear children, My Heart offered Itself to you to save you. But what I need is that through you, this deep reconciliation which I ask of you be able to take place in other children of Mine, and this will be possible through the power of your prayer.

Today My face reflects the joy of this meeting. Today My arms pour out the Light and the Mercy of God. Today I reveal My immaculate Love for all of you, a patient and persevering love, kind, merciful, which wants to reach all the children of Europe.

Go for those who do not listen to Christ. They need to become reconciled with God, and the first door to enter and serve all those souls will be your families, where the temple of prayer and of peace must reemerge.

The third secret of Fatima may happen, may take place, may manifest on the world. Thus, if your prayer is more fervent than the secret, the Law will change and the Mercy of Christ will take action by giving blessings and healing to all the children of the Earth.

I do not come to the world to prophecy bad times. I come to the world to remind you of the Kingdom of God, a Kingdom that is inside of you, within your hearts and souls.

Dear children, through this meeting, I call on you to awaken. In this way, you will be able to follow My steps of Light and walk on the paths of Love and of Unity, upon which many souls will walk behind you to quench their thirst for love, the peace lacking in inner dwelling places.

For this, I gather you together at this time in Europe, because the time has come for your higher commitment to manifest, that it may be concrete and visible in the world.

As ambassadors of peace and missionaries of love, may you be cells of the Glorified Body of Christ, and expand in light and in harmony over the world.

On this afternoon, I give you the keys for this to happen; the only key is prayer, perseverance and the hope of continuing onward. In this way, dear children, you will respond to My call.

Sister Lucía de Jesús transmits the Words of the Virgin Mary:

In the same way, as in a past time when I gathered together the apostles of Christ in a cenacle of awakening and renewal, today I gather your small souls together in a cenacle of redemption and life.

My children, in the past, the Holy Spirit descended over the apostles of Christ, giving them the gift of speaking in tongues, of understanding the heart of each creature that approached them. And in this way, through the creative power of the Verb of God, the Church of Christ in the world began to

be built, the love that Christians manifest today on this Earth.

And today, in this time, My children, I gather you together again in a cenacle of redemption, so the Spirit of God may return to this Earth. This time, through the life example of your small hearts, which must manifest acts of love and of fellowship, Christians are renewed in the world.

Today I come to the Earth, My children, so that in this cenacle of redemption, I am able to teach humanity to awaken to the life of the spirit, to the life of the soul, to awaken to this mission each being must accomplish in this time, to awaken in your hearts and in the hearts of the world a love for this perfect Plan that God has been generating in humanity.

My children, with My Divine Heart, I aspire that your souls are able to testify to the fraternity and the unity among beings, and that in this way, you demonstrate to the world that the time has come for the Return of My Son; that His Sacred Heart is already beating and lives in your hearts, achieving in your lives the biggest and true miracle, which is the conversion of your spirits and the true love that you are capable of experiencing even when facing chaos.

My children, My Presence strengthens the absolute faith in your hearts, so that you are never afraid in the face of difficulties and in the face of judgments.

It is necessary that your hearts be certain of the consecration of your souls to this Greater Plan, so you do not fear any difficulty, do not fear the attacks of the enemy, for Love will always be greater than the darkness, and faith will always be greater than the fear. For this reason, today I tell you to only remember My Words when you are facing some difficulty. My Heart observes you at each instant of your lives, and although invisible to your eyes, My Presence will always be there.

Today I want you to learn to feel My Presence, through your heart, so that in life situations, you know how to feel when I am present, know how to hear My voice in your hearts, which is unmistakable, because Love, My children, is absolute in My Heart, and will take shape within your beings any time it is needed.

Know, on this night, that your prayers were heard in the Kingdom of God, that many situations in the world were able to receive liberation and peace. But there is still much to be freed, many souls are waiting for you to be able to pray with devotion and fervor, and even more than that, My children, be able to live My messages in your lives.

Never be in a hurry, only continue to persevere on this path, because with one step after another, you will transform without realizing it, and one day, My children, you will look back and will not find the old being.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

I am traversing, in Europe, the same paths that I once travelled in the Holy Land, beginning My Christic ministry; and village after village, awakening the children who were to serve God in those times.

For this reason, I return to Spain, to My dear Spain, that heard My Voice from the beginning and

which, in spite of the difficulties and indifference of their leaders and of those who guide these people, have kept their faith alive in their heart, the precious trust in the Lady of Heaven, opening the doors to the Mercy of God.

This meeting with Me, during this evening, is a special meeting between Heaven and Earth, between souls and the cosmos; a profound communion with the Heart of the Father, which will prepare you for the days of tomorrow, in which My Verb will be deeply expressed to the world, trying to awaken those who sleep. This will be possible first through you, when you dare to live My Words out of love. Thus, as I have already said, you will transform.

On this night, I bless these altar roses, and may this symbol represent for your lives the possibility of experiencing a change of heart, that you are able to be My new roses of the gardens of Heaven. For this reason, month by month, My hands heal your hearts, close the wounds, and remove the thorns; so that renewed by My Holy Spirit, you are able to reach the Throne of the Father as an offer of redemption, an offer of Grace and Mercy; and in this way, the times that have been foreseen to come, may be good times for all.

I come from that Heaven to announce a call to you. My call is that you be agents of peace so that some things do not happen.

I will thank you for keeping My Words in your hearts. I am very grateful for this night. Let us pray to the Eternal Father so that the liberation of the world may also take place in Europe. Let us pray with the light of the heart, let us open the doors to Divine Mercy.

Friar Elías del Sagrado Corazón de Jesús:

We will pray at this time together with Our Most Holy Mother. At the request of Our Lady, we will pray the "Prayer for the liberation of the World":

Beloved Lord,

*we implore You for Your Assistance,
we invoke Your Power,
we accept Your Infinite Mercy,*

*Amen
(three times)*

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Thank you, dear children, for responding to My call.

May the Peace of My Son be in your hearts forever and may His Redeeming Light be the strength to experience transformation, the reason that urges you to continue walking in the Light.

Lifting up your pleas to Heaven, I receive your intentions in My Heart.

Tomorrow I will also receive your intentions and those of all those who have need of an encouraging word. Write a small message to Me, which I will contemplate with love. I thank you.

Song: Hail, Hail, Hail Mary.

In the name of the Father, the Son and the Holy Spirit. Amen.

Mother María Shimani de Montserrat:

Now we are going to carry out a task that Our Mother requested of us. The visionaries will distribute rose petals to each one, roses that Our Mother blessed and that are on the altar.

Friar Elías del Sagrado Corazón de Jesús:

Just to tell the brothers and sisters that, for some time, Mary did not place Herself over people. This was an immediate revelation She made to us, from the moment of the Apparition.

She carried out a task of blessing Spain, mainly, and brought Her Consciousness and Her moment of Apparition in El Escorial and in Garabandal.

That was what, more or less, took place.

Mother María Shimani de Montserrat:

Sometimes we don't properly understand what is happening when Our Lady works spiritually.

Let us just imagine, for one moment, that this Higher Presence was a few meters from us, radiating all Her Light over our beings, transforming that which for us would be absolutely untransformable, dissolving inner situations that for us would be impossible, cleansing our paths, something that for us would be impossible.

So our heart must be full of gratitude, because if we continue with the Messages of our Mother within ourselves, we dedicate some of our time to pray with our heart, we will see that in the future, our lives will be different.

Let us never again forget this day, because we will soon understand why.

And now, we will do our task, while the brothers and sisters will sing.

Song: Hail Mary (instrumental).
