SPECIAL MESSAGE FOR THE APPARITION IN THE CITY OF SAN JOSE DO RIO PRETO, SAO PAULO, BRAZIL, TRANSMITTED BY THE LADY OF THE MOST HOLY ROSARY TO THE VISIONARY FRIAR ELÍAS

As a Star of Peace I come from the universe to radiate to the world the Great Love that God has for His Creatures.

My dear children,

For the second time I return to San Jose of Rio Preto to consecrate it again to My Immaculate Heart as a spiritual city.

In this time of crisis that My children and the world live I need the prayer of all the souls, those that in simplicity and love may be able to dedicate time to the prayer of the heart. My Son expects that all the souls respond to the need of prayer that exists for this time in your families and beloved ones.

As a Star of Peace My Maternal Love shines before your hearts and lives. In deep love I bring you a message of Peace and Hope.

You, My dear and beloved children, know how important it will be that you be formed within My School of Prayer. As Mother I will wait for you answer and immediate surrender to My Immaculate Heart.

Today I remind you of something urgent: to not forget to live the Sacred Sacraments that My Son has left to you. Seek the inner communion with My Son. In this way you will relieve His Sacred Heart from the weight that He receives from the world from the constant offenses.

Seek a life of constant confession. May it be sincere, repairing and reconciling because My Son is expecting to listen to the clamor of your hearts day and night. Remember that He is the High Priest.

Seek now, in this time, the sacrament that the Lord institutes today, that is the sacrament of fraternity. Only if the souls are fraternal and united will the world be able to heal many things and humanity will be able to achieve a new state of Grace and Mercy.

Dear children, I Am at your side like a radiant Star during the night. I vigil and accompany the steps of those who open themselves to listen to My Loving Voice.

And today I tell you, My dears, it is time to live in Peace, it is time to Forgive and to Love, it is time to construct a new hope for the world through the praying heart.

For this encounter of today with you, I thank you.

For your sincere answer of faith, I bless you always.

Thank you, San Jose of Rio Preto, for opening the doors of your hearts!

In the Light of Christ,

Your Most Beloved Mother Mary, the Lady of the Most Holy Rosary of the Peace
