Daily Message of Mary, Rose of Peace, transmitted in Paují, Bolívar, Venezuela, to the visionary Friar Elías del Sagrado Corazón

While the networks of evil are furiously unleashed on this day across the entire planet, which celebrates naive bonds with these realities, My Heart thanks all those who pray and, strengthened by faith, together with Me defeat the adversary and, through the heart, establish the perfect alliance with My Son.

It is for this reason that once again, I come to ask for more prayers, not only for the Middle East, but also for the whole consciousness of the planet, which is damaged through the actions and the decisions that do not cease to be carried out.

So that My Heart may have Its triumph, at least in a part of humanity, My wish is that at the end of the novena that you are carrying out to Saint Joseph, your hearts please God through the Orandum of the Passion and of the Transfiguration of Jesus, praying the 81 beads for nine consecutive days.

On finishing this practice, My deep desire, My children, is that you dedicate nine more days of prayer to My wronged blessed Heart by means of the Rosary of Forgiveness.

When this new cycle of prayer ends, I will tell you, My children, how much Your Mother is able to do for all of humanity, and especially for those who fulfill these simple requests with devotion, interest and faith.

My guardian Angels never cease to accompany the spiritual life of all those who please My Heart with their praying word.

For all of the prayers given, I thank you all.

Let us continue working for the Plan of God.

I thank you for responding to My petitions!

Who blesses you,

Your Mother Mary, Rose of Peace
