**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?????**

Dear children,

As the Immaculate Conception, I wish your lives to achieve this divine conception of purity for it to be the interior light of the world.

Dear children, day and night, I bring you the Grace that your hearts participate in the mystery of love that consecrates everything and unites everything.

My children, in the path of the interior purity, may you as souls not lose time in the bandages of the material life, so you will be able to achieve the internal union with Christ so necessary for establishing the new redeemed consciousness.

Dear children, while you are taking the steps towards the preferred path of the original purity, the whole planet will be purifying itself intensely, since a whole race deviated from its true state and its real principle of a superior life. This purity about which I am talking about also reflects itself in the heart of humankind when they live the purification without resistance or pain.

It is time, dear children, for the attributes coming from My Holy Heart to be alive and acting in each one of you; thus your lives will conquer them one by one so that afterwards this reflects itself in the new cycle of the planet, in the manifestation of the Love of God for the whole Creation.

I thank you for responding to My call!

Who blesses you in the name of the Purity of God,

Your Mother Mary, Rose of Peace
