EXTRAORDINARY DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF CARACAS, VENEZUELA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear Children,

I come from Heaven to prevent a future war of famine. Therefore, with all the choirs of Heaven, I implore the Almighty for all peoples and their constant errors throughout times.

I come to ask everyone not to forget the Power of God which is the purest, holiest and highest; for all will be concretized through Him. For this reason, dear children, do not rest until you live in His infinite Will.

I come to offer you the healing of your sadness, the light to your hearts, the redemption of your lives. I have come to prevent chaos, but also to pray for you and with you; listen to My Voice, listen to My Holy Call.

Dear children, pray with Me and all will be resolved. If your families and peoples pray wholeheartedly to My Immaculate Heart, there will be nothing that will make you fear. I am your Mother and Lady of Coromoto. I am your Guiding Star, follow My footsteps and My petitions, and everything will pass.

Dear children, form prayer groups and may your words reach the Heavens so that My Son may have the joy of freeing you from this captivity. As your Mother, I come on this day to announce My Peace to you and to give you My Peace because, through My Heart, you will find the gates of redemption.

Children, forgive yourselves, for in human beings there is blindness, there is pain and misunderstanding. In spite of everything, do not forget to love so that all may soon be healed.

Days and nights I prayed to be able to come here; you called Me and here I am, I come to help you because I love your people, I love each one of you.

I thank you for responding to My call!

Who gathers you in the Holy Heart of the God of Peace,

Your Mother Mary, Rose of Peace
