Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Aurora, Paysandu, Uruguay, to the visionary Friar Elías del Sagrado Corazón

Dear children,

In this coming Nativity of the Lord, I would like you to affirm your vow of living in meekness so that My Peace may be established.

I would like you to offer the Celestial Father your effort so that, through meekness, love may be sown in the consciousness of humanity and, thus, hate may disappear from humankind.

If you do not live this principle of meekness, just as My Son needs, you will be much delayed, My children, in being able to find the path that will take you toward the sacred Temple of the Heart of Christ, a refuge for all peacemakers.

You know, My dear children, that, day by day, the Lord observes how the rash actions of humanity and of its leaders place the realization of the Plan of God in danger. For this reason, My children, observe the next events with eyes of humility so that in this way the Lord may always guide you on the paths of fraternity and good.

Opening the doors of your hearts, inwardly prepare the coming of the Child King, thus, you will be prepared for your lives to be transmitters of the impulses of peace and good, for all.

Remember that humility is the key for peacemakers.

I thank you for responding to My call!

Who takes you by the hand to the manger of Bethlehem,

Your Mother Mary, Rose of Peace
