Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

When your voices are singing truly and are full of love and sweetness, this is reflected in the perfect harmony that is established between My Heart and your hearts. This permits, My very dear children, the engaging of an inner communication with the spiritual planes.

When your constancy in wanting to do the best for God manifests, this effort is seen by the angels, and they help your souls to be guided to the sacred Purpose of God.

When your simplicity is shown without standing out in anything, just to fulfill the Laws of God, this is recognized in Heaven as a step toward the maturity of the soul.

When your sacrifice is true and unconditional, it is seen as an act of absolute reparation for the Heart of the Celestial Father.

For this reason, dear children, every day the effort which you must face will be greater in proportion to the great imbalances and sins of humanity.

Let your voice of prayer be offered to the Celestial Father as an act of reparation and of healing for the whole world. Many souls sing, but few do it for God and for the concretization of His original Plan.

Dear children, let your talents be precious pearls in the Hands of Christ; in this way, you will allow the Redeemer to labor and manifest through the beauty of your virtues.

Ascend to the Heart of Christ and there be one forever.

I thank you for responding to My call!

Who lifts you up to the Heart of God,

Your Mother Mary, Rose of Peace
