Daily message of Mary, Rose of Peace, transmitted in the Marian Center of Aurora, Paysandú, Uruguay, to the visionary Friar Elías del Sagrado Corazón

Dear children:

Today I bring to the world the Light of My Immaculate Heart, mainly to reveal the most profound mysteries of the universe.

I know that for many of you it is difficult to understand the amplitude of My task in the world, which I perform through My instruments, the visionaries.

Today, I tell you, children, that it is so and has always been so. See and believe, with eyes of humility and of trust, that the Mother of God arrived in Aurora to spread an important Message of Peace outside of the traditional Church of My Son.

Your Father needs My Presence to be more known, for the believers as well as for the non-believers. This is how your Celestial Mother has approached you, for many years, to give to the world the last key of salvation, which is the prayer of the heart.

If in truth many of you already prayed from the heart, not placing any mental impediment, you could feel inside of you that eight years of work would not be done by any being of this Earth, no matter how much holiness they manifested.

Children, the only power is with the Celestial Father and it is from Him that the works for the whole universe are manifested; without His permission and without His divine consent nothing would be possible.

Thus, I show you that through obedience there is guidance and protection, especially in the face of the deceptions of My adversary, who will always try to make you indifferent to all that is divine and pure.

But do not fear, dear children, receive with My Peace the time of your purification which will place you before all that must be transformed in time. Thus, you will be cleansed from all and free of any stain.

I thank you for responding to My call!

Who guides you to awareness of the Truth.

Your Mother Mary, Rose of Peace
