DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE TRIP FROM THE MARIAN CENTER OF FIGUEIRA, TO THE CITY OF SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN??

May My Peace reign today, may you trust in God because you live what is foreseen by God.

May your heart be free from affliction, but may it recognize the greatness of all this mystery.

May you live love and multiply it so that your oldest resistances may collapse before the foot of the Creator.

May you be able to be free all the days of your life.

May you build now the new bridges between the Earth and Heaven.

May your fears be liberated and may you purify yourself in faith, because all that happens to you today has already been thought by God.

May you not lose the sane joy, may you relive every day the Passion of the Lord as the purpose to redeem life.

May the doors of the Universe open before your life, may you be filled by My Love and My compassion. Ignite My star of Peace in your breast, so that it may be the bright star for those who do not see God.

May life become simpler through you so that the ones who are lost may return to God. Embrace My sweet Heart in this hour, permit Me to solve everything. Accept the challenges. Live the changes out of love and with forgiveness towards humanity.

Find in My gaze the kind-hearted Light of the Celestial Father. The hour of your surrender is close at hand, may you celebrate with Me this day because I have come in the name of Christ to give you His Graces and to conquer your little heart.

Trust every day in the virtues of loving more and more what seems not very happy for you. Because your joy will be truly born when you live your cross with gratitude for all this project, there, you shall finally be free from yourself.

I thank you for answering to My call!

Who guides you toward Peace,

Your Mother Mary, Rose of Peace
