DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN DORNES, FERREIRA DO ZÊZERE, SANTARÉM, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

I am that great Mirror of Light that ignites others with love and faith.

I am that Mirror of the Universe whose prayer draws the Consciousness of God towards the world.

Therefore, dear children, open the mirrors of your hearts so that they may refract the truth of what you are, and, with each prayer, pour out the attributes of the new humanity.

I form the Mirror groups of those who pray so that they may be a network for the elevation of humanity.

Dear children, each verbalized prayer can draw the Gifts of God towards this planet, thus, the prayer of the heart is the right means for each soul to learn how to light up in devotion and love, just as the Mirrors do.

In this time, try to be a part of this Mirror network of those who pray. This Mirror network elevates its word and its prayers so that the critical Gifts and Graces that the world needs may draw closer.

My children, it is time for you to enter this school, not only forming groups of prayer but also making the commitment to keep vigil, so that each Gift of God becomes present in humanity.

If each soul offers its prayer out of love, just as the Mirrors of Light of Your Heavenly Mother offer themselves to intercede for humanity, miracles will happen, and consciousnesses will have the Grace of being able to respond to the Call of God.

Being a Mirror of prayer is the goal of every disciple of Christ. It is time to open the doors to this sacred knowledge.

I thank you for responding to My call!

Who radiates the Mirror of Love to the world,

Your Mother Mary, Rose of Peace
