DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF WEED, CALIFORNIA, UNITED STATES, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

I am that white mountain of light that souls aspire to find in their inner world in order to ascend to its highest point and feel that a purpose has been fulfilled.

I am that white mountain of light that everyone hopes to come to know and climb so that, at each level, the soul feels complete when it is able to walk it.

I am that white mountain of light that attracts consciousnesses like a magnet so that, in union with it and its natural beauty, hearts transform into worshippers and contemplatives of Creation.

I am that white mountain of light that radiates a subtle energy capable of redeeming lives and rehabilitating hearts.

I am that sacred mountain of light that manifests itself as a goal within consciousnesses so that they dare to ascend to the sacred space of their inner world.

I am that white mountain of light that activates devotion for all that has been created and allows souls to find God through the inner mountain.

I am that white mountain of light that gives the consciousness the impulse to go beyond itself every day so that at the summit the consciousness may reach a sacred union with the Creator.

I am that white mountain of light that holds the most valuable treasures of Christ. In essence, I am the Mount Shasta of Light.

I thank you for responding to My Call.

Who elevates your consciousnesses,

Your Mother Mary, Rose of Peace
