DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

While the new springtime of the Lord enters into the planetary life to announce new subjects, on the other hand, the enemies who are closed to My Plan seem to tremble and perceive the damage they have caused to My worldly work.

It is so that that with the rosary in My hands, I pray for all the priests for them to be a living example of Christ on Earth and not an example of spiritual and public disorder.

Therefore, I ask all My dear ones who pray to strengthen their faith and the charisma of living love above all things.

Dear children, I invite you to be in Christ so that Christ will be able to be with you and with all the sick humanity.

I invite all the believers to live one only religion, the religion of love and of unity, the one that will be able to mirror itself as truth in the pure and simple hearts.

I invite you to search among the religions the essence of love and of unity, the one that manifests itself in the second person of God: in Christ.

Dear children, do not forget that we are in final times, when everything is at stake inside and outside the souls.

With courage and much prayer, be what My Son expects you to be every day, ambassadors of peace and goodness, without bothering what your fellow beings say, because whoever attracts peace and goodness is an apostle of My Son at the end of these times.

Encourage yourselves to unite what is separate between consciousnesses.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
