Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

Free yourself from all that oppresses your heart through the imperative strength of faith and your love for God.

He is on your paths to guide you towards the concretization of His Divine Purpose.

Detach from all that prevents your soul from walking towards an emptiness of self and humbly conquer the Kingdom of God.

Let each divine word resonate in your depths and, in this way, the sacred alliance with that which is most High may be built in the spirit.

God has mercy on the world and on all its servers. The doors of His Kingdom are open so that the consciousnesses of the Earth can go through them.

Have the courage to transcend yourself and affirm in yourself the divine help of the Breath of Spirit.

It is time to be able to live in inner freedom, and to finally make of the incarnation a precious triumph for Creation, for in this way, the New Christs will be born.

I thank you for responding to My call.

Who spiritually encourages you,

Your Mother Mary, Rose of Peace
