Daily Message of Mary, Rose of Peace, transmitted in the Mapuche community of Valparaíso, Chile, to the visionary Friar Elías del Sagrado Corazón

As Mother Earth and Mother Universe, I come on this day to unite the essences of all My children of the original peoples through the Universal Father, so that through their sacred knowledge, they may continue protecting and safeguarding life, tradition, and culture.

As Mother Earth, I come to speak to you in the name of all the beings of Nature, so that not only the peoples listen to Me, but also all of humanity that does not look at the suffering that, day after day, the elements of this Creation experience.

Through the original peoples, humanity could recover its spiritual dignity, if it knew how to protect and take care of everything the Universe and Life has given it.

I would like the sacred Principles, which were gestated in the consciousness of My children from the original peoples, to make you understand the importance of a change of consciousness, since present humanity destroys and dissipates all it will need from the Kingdoms of Nature in order to survive.

As Queen of Nature, as Sacred Spirit of the Peace of the universe, I come to tell you that I will always be with you, in the silence of nature, as well as in the presence of each Kingdom. My Sacred Spirit will make it possible to have each one of you be a sacred essence that shines before the Creator in these times.

On this day, I leave you My maternal blessing so that everything can be healed and renewed in you, so that the traces of suffering may be erased from your paths, so that each story experienced may be repaired and bathed in the love of the wise Spirits of the universe.

I leave you My Peace and I renew you in the faith and in the Wisdom of God.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
