Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

Dear children,

My Words reach the heart so that the Gifts that God placed in each soul may blossom.

My Words reach the heart to transform what is impure into pure, that which is stained into something crystalline.

My Words reach the heart to heal inner and spiritual wounds, to make each heart a balm of love.

My Words reach the heart to touch the depths of the essence of each soul, so that each being may become aware of their mission on this planet.

My Words reach the heart so that souls may feel God, and thus vivify Him as the Lord of Love and of Peace.

My Words reach the heart to have you believe in humility and in the truth, in the profound trust of knowing that everything will follow its course until, finally, the Plan of Love in each being is fulfilled.

My Words reach the heart to make of each consciousness a temple of love and of redemption.

I thank you for responding to My call!

Who unifies you,

Your Mother Mary, Rose of Peace
