APPARITION OF THE VIRGIN MARY IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

This is the light that I seek in the world, the light of your hearts and essences, the light of faith, the light of love, the light that springs through peace.

This is what I need from My children, in order to consummate the Plan of My Son on Earth, because when I am no longer among you, I will ascend to Heaven to tell My Father that the Work is accomplished.

Thus, on this night I come to re-consecrate your hearts, especially your lives and souls, so that the Plan of God may be carried out through the offering of each one of you.

Today I feel your hearts as I have never felt before; today I feel your souls as I have never felt before; today I feel your spirits in a joy that I have never seen before.

Why is this possible, dear children? It is the flame of faith that allows all things.

I wish for the path of goodness for all My children, I wish for the path of peace for all nations of the world, and that souls may wake up to this great expected return of My Son.

Today My Word echoes in your hearts. My beloved children, today I make vows of trust with each one of you, assuming this commitment of manifesting the redemption of humanity and the liberation of the world through faith and love.

Today I have come from Heaven to give you My gesture of peace, the alliance with My beloved Son and with all His Sacred Work. You are part of this expression, of the expression of the work of love, and each step you take daily, not only in prayer, but also in service, just as you have always done, will make this humanity, at least in its great majority, a rescuable humanity.

Today I have come, dear children, to bring you My Love, which is the Love that [literally, in Spanish it says: "the Love that makes you trust in God". How would it be better in English?] causes you to trust in God. (I think what you have written works well. I have no change to suggest.)

I came from the Universe as a great Consciousness of light, as the bearer of peace, as the Messenger Bird to be close to My children, so that My children may feel that I am among them, and they are in Me, in My Heart.

So that this aspiration of Mine may be fulfilled and that every day you may be in My Heart, experiencing My Love and My Peace, I come to bless you, strengthening your consecration and the vows that your hearts make, daily, to Christ.

So that all this may be possible, I come to bring you something new, a gift that will awaken at the appropriate time, when God determines it and when My Son gives it an impulse through each one of you.

I want you to be a true mirror so that you can radiate what you have never managed to radiate. It is the Grace and the Love of My Heart that allows you all these things.

I need, dear children, for you to live in My Heart, so that I may live in you, be in your groups of prayer, in your families, sharing the happiness and the pain, the transformation and the liberation of your lives, so that finally, the Plan of My Son may be fulfilled in each one of you.

I will come to you to bless you and in this way, in the simplicity of My Heart, thank you for what you do for this Work of Redemption, of Love, and of profound Peace.

I have not come alone, but rather with all the angels of Heaven, and your guardian angels that come to praise God in gratitude, in peace, and in love for all that has been done in this time.

This is all that I want today, to bless you, consecrate you, place you all within My Maternal Heart. Let us do this now.

(The Hail Mary is recited in Portuguese five times.)

I am here, children, and today I give a simple message, because your souls are simple, and have prayed in the inner planes for all the nations of the world, so that the Flame of Christ may awaken in these times.

I come this way to close this session, this moment of instruction, this moment of elevation, in this moment of prayer, always thanking the Eternal Father for how much He gives us in these times of chaos and crisis.

It is through the trust of your hearts that My Grace can descend to humanity. Thus, today, on this night, I again re-consecrate your hearts to the Power of My Immaculate Heart.

Together with the Angels, I bless you, I consecrate you with the powerful sign of the Cross, and all your families.

In the Name of the Father, the Son, and the Holy Spirit. Amen.

I thank you for responding to My Call, and for continuing to respond to My Voice, to the Voice of God, which is infinite and invincible.

Today your souls have been restored, today your spirits have awakened to a great call that will come.

I thank you!
