APPARITION OF THE VIRGIN MARY, IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

How many wonders God has performed in you through My Heart! Do you believe that has happened?

That is why I come to meet you and to meet all of humanity, where on this day, My profound and divine Grace is granted to the souls of the world.

Today My Heart is glorified by the worthy children of God, by all those who have responded to My call in this last year.

Do you accept, dear children, that I return for another year?

Those present say "yes."

Friar Elías del Sagrado Corazón:

Mary is smiling.

Today I am here as the Queen of Peace, so that peace may be established in the depths of your hearts. Because if My Peace is in you, peace will be in the world, and the world will be relieved; especially those souls who suffer the chaos of these times.

Another marvel that God has done in your lives through My Immaculate Heart is that you can pray with Me every day, because the value of prayer is to be found in the simplicity of the offering and above all in the love that you can express for God.

It is that love that I seek in you, it is that love that brings Me here from Heaven as a great Divine Consciousness, to be able to continue accompanying you every day, until My Son finally arrives in His Glory and restores the Kingdom of God in this humanity.

Until that can happen, dear children, I will be among you and with you, as long as you call Me by opening the door of your heart and your soul, so that your Heavenly Mother can enter and make every new meeting a sacred oratory for God, a profound praise to the Father and to all Creation for granting this Grace.

With your confirmation on this night, today I am able to say to you, dear children, that I will be with you every day for one more year, until I truly achieve an awakening of your inner Christs, because it will be those inner Christs that will serve in the transition of humanity and of the Earth, until the great promise of Christ is fulfilled, of coming a second time to humanity.

On this anniversary, I want you to be able to offer your hearts, your lives, to a greater consecration, so that each one of your souls can live for this entire race, which must achieve redemption and above all, the Mercy of God.

I want you to come up to the foot of this stage.

Come here, children, because in this way, you will come for all the souls of the world that still cannot find My love of a Mother, nor My Grace, which tries to reach them through your serving hearts.

So today I invite you to be transmitters of My Peace and of My Grace, and thus allow My Grace to be granted to the hearts that are far from God.

And now that you carry the flame of the lit candle, confirm in yourselves, for all of humanity, for all of the planet, and for all the Kingdoms of Nature, your precious original purity.

And thus, on this evening, the Queen of Peace and the Mother of the Most Holy Rosary of Fatima unites two Sacred Centers: this Marian Center of Figueira with the Marian Center of Fatima, mirroring over this place the Original Purity of God, what God has granted within you, so that it may be conscious and so that in this time, it may awaken as a gift of praise to the Creator.

I want you to offer a very special song for Me: *"Purity, soul of Lys."*

I invite you, dear children, on this anniversary, to alleviate your suffering, your pain, and your sorrow.

Place your left hand over your heart and with that burning candle, let us radiate the Purity of God to the planet, that which the Father granted to all this civilization.

I invite My children of Europe to accompany this practice, so that in the Purity of Lys-Fatima we may unite in fraternity and in brotherhood.

I listen to you.

Activate the mirror of your hearts, invoke this essential purity on this night of Grace.

Song: "Purity, soul of Lys."

May the portals of Lys open.

May the essential purity emerge on the surface of this planet.

May the new codes awaken in the souls that invoke them and that planetary healing be established beyond, and to the ends of the Universe.

Come, essential purity of Lys, awaken in each inner being the Christic flame of Love, the fruit of the new brotherhood.

So may it be.

I thank you, dear children, because on this night, God granted an inexplicable, unalterable, and extraordinary Grace to the world.

Seek the purity of the heart, for it is eternally present there.

Together with the angels of Lys-Fatima, I bless you, I consecrate you, and I baptize you with the Light of the Holy Spirit and with the good of the Most Holy Trinity.

In the name of the Father, the Son and the Holy Spirit.

Now I will listen to "Mary Lys" from your voices.

I thank you!
