**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED AT THE MARIAN CENTER OF FIGUEIRA, MINAIS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELIAS DEL SAGRADO CORAZÓN**

### **The House of the Child King**

Dear children,

It is with joy, bliss and rejoicing that your Celestial Mother arrives today at the Marian Center of the Child King to consecrate the House of Prayer that will be especially dedicated in honor, healing and reparation of all the children of the world.

It is for this reason that this Marian Center was consecrated to the Child Jesus since the beginning, so that all the children who arrive here may enter into communion with the Heights and thus heal their deepest wounds.

I still feel that this Marian Center, which today conceives in its main core the new House of Prayer, represents for the universe an Island of Salvation and a new Ark of the Divine Covenant between souls and God.

The House of Prayer of the Child King can undertake the task for which it was created at this time; a task that will be to pray and to offer to God each encounter, just as each monthly liturgy of the Marian Center, for the salvation of the little and most helpless ones throughout the world.

I will use each liturgy of this new House of Prayer to prevent the exploitation, the trafficking and the selling of the little ones so that, through it, I can save their essences, which are now lost, as well as rescue, with My own hands, all the children and youth who are being taken along the same path.

The manifestation of this new House of Prayer, at the Marian Center of the Child King, will try to justify before the Eternal Father the faults, outrages and omissions that a great part of the adult humanity commits against the little ones of the world.

That is why today I come to ask that this Marian Center and, especially the new House of Prayer, dedicates a special liturgy daily for the salvation, protection and repair of the children of the world, as well as a monthly meeting at the same Marian Center, where the little ones can, through prayer, art and music, offer to God their little hearts as a reparation for the great imbalance caused in this world.

If these requests are fulfilled, as the recent manifestation of the House of Prayer was, I promise, as the Mother of all, to remove from the hands of the adversary and their oppressors on Earth all the children who are victims of exploitation and abuse. I promise to disarm and expose everything that is hidden and unfair regarding this. I promise to take care and help, one by one, the souls of the most helpless children.

I have been waiting for so long for this new House of Prayer, that in the meeting that we will have

in these next days, your Mother and Queen of the children of the world will arrive accompanied by the Child King so that He, in His infinite Glory, blesses you, and may this mission, which from today on you will undertake, be always filled with many Graces.

But, if in this House of Prayer you bring Me the children most in need of help and if they are baptized at the feet of the holy image of Mary, I promise to withdraw them from the profound and unfair pain that affects them. I also promise, in the name of the Child King, to return the joy of living and the spiritual feeling of their lives.

It is the mission of all collaborators and volunteers of the state of Rio de Janeiro to take on this task that I entrust you with today for the salvation and the rescue of the children of the world.

Lastly, I wish for, inside the House of Prayer, a mural with faces of the children of the world, of all peoples and all races, so that whoever enters this House may feel called to pray for the little ones.

May your hearts rejoice on this day because the Mother of God will be among you offering each prayer, each song and each gesture of love to God for the salvation of the children.

I thank you for responding to My Call!

Who blesses you,

You Mother Mary, Rose of Peace
